RE: *Taylor Carlisle, Individually and as Representative Member of a Class, et al*
v. Joseph P. Lopinto, III, Sheriff, et al
Case NO. 23-387
Letter for Extension of Time Pursuant to S.Ct. Rule 30.4.

Hon. Clerk of Court Harris:

By letter dated December 6, 2023, your Office indicated that the Court had directed that a response be filed to the petition for a writ of certiorari in this matter.

The letter further directed that the response be filed on or before January 5, 2024.

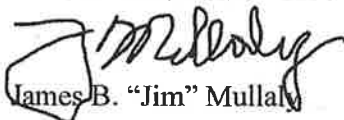

Pursuant to S. Ct. Rule 30.4, Respondent, Sheriff Joseph P. Lopinto, III, respectfully requests an extension of seven days, or until January 12, 2024, to file their response.

The reasons for the request are that our office has been inundated with other appellate briefings and trial schedules in addition to the holidays. Respondent submits that while our response is mostly prepared, we need additional time to have it properly formatted, bound, copied, and served as required by the Rules.

Counsel for the Petitioner indicated that she opposes this motion only to the extent that it would interfere with her printer's schedule for submitting the reply brief.

Thank you in advance for your consideration of this request. If there are any questions or concerns, the undersigned may be reached at any time at (504) 635-8385.

With kind regards,

James B. "Jim" Mullaly
