Re: Request for extension of time to file response to petition for writ of certiorari
Temple of 1001 Buddhas et al. v. City of Fremont, California
S. Ct. No. 23-481

Dear Mr. Harris:

I am counsel for respondent City of Fremont in this case. Petitioners filed their petition for writ of certiorari on November 3, 2023, following a 30-day extension by the Court. On January 2, 2024, the Court requested that respondent file a response to the petition. A response is currently due February 1, 2024. Per Rule 30.4, respondent requests that the time for filing a response be extended by 30 days. To accommodate the extended 30-day deadline falling on Saturday, March 2, we request a due date of Monday, March 4, 2024.

This is respondent's first request for an extension of time to file a response. Good cause exists for the requested extension. Respondent is in the process of retaining new counsel to handle the Supreme Court proceedings. Because the new counsel did not represent respondent in this case in the district court or court of appeals, they will need sufficient time to familiarize themselves with the relevant legal issues and record. An extension of time would better enable preparation of a response that would be most helpful to the Court.

Accordingly, respondent requests that the time for filing a response to the petition for writ of certiorari be extended to and including March 4, 2024. Counsel for the petitioners, Mr. Glenn A. Danas, does not object to this request. Thank you.

Very truly yours,

ALLEN, GLAESSNER,
