Basis For Federal Jurisdiction

The Case raises a Question of interpretation of the Due Process Clause of the 14th Amendments to the United States Constitutional rights. The District Court had Jurisdiction under the general federal question Jurisdiction Conferred by 28 USC. 1331.

Do to USC/ND Dismissing case 8-30-22

On 3-20-23 there was denial conflicting with 3-16-23 Due

So Due to being Dismissed by USC/ND 8-30-22
they No longer had Jurisdiction over my case

is fed violation under appellate procedures.

Statement OF CASE

Introduction: This is of imperative Public importance so that no other Prison in the world/ internationally get away with embezzlement, trafficking, smuggling, racketeering, Murders, Attempted murders, Forced Drugs, Violations of U.S. citizens/ incarcerated individuals U.S.C. rights, violations of Policy & Procedure of the state, violation or disregard for Fed or State Laws, (By means of USC/NO, state courts, or small claims/ their, BTL tablets, Phones, OIS, IRIS, OCms, superior courts, unconstitutional Fed games, Forced Programs (Intensive RWT, Intensive Sisp, Samsha, mind, body, & soul, ect), Forced treatment funded by Private organizations, inhumane treatment, Discrimination/ Racist Acts done intentionally, Sexual Abuse, Privacy invasion (which has tore family, friends, and spouses apart) Correctional officer Assaults, organized Crime activity, and your Property being stolen or given to others in Programs that AI's or humans. (organized crime)

It has been a cabotz of action between Courts, Westville (IDOC Prisons), Medical, Aramark, ICI, and Private entities. By good & bad/ Angels & Demons games being Played mixed with real life "witchcraft" / Spiritism Rituals with evil intent behind them (Tarot cards, fire set, Black seaweed, and other emblems to perform these Destate acts in a Prison which is Prohibited, but I seen all of this and witnessed the Abuse in every aspect, even in my sleep. AI Rules not enforced or there is none which has lead to Property being stolen, money from My Account without Just action or Justification which is violation of my rights. I Followed Policy & procedure and was not helped all the way to Governor Eric Holcomb. So I wrote President Joe Biden, EOUSA, Alvaro Bedoya FTC comm, D.O.J, Samsha, Technology National Liberty of ACLU, Tadpis Star, Bayview, Redemption ministries and all superior at Central office. Due to the USC rights being violated by tampering with OIS system to keep me "unlawfully incarcerated", being beaten by incarcerated individuals with weapons and Placed around all these offenders after the incident 3 different times which is safety & security issues. (Orlando Adams & co) (1-2022) Being assaulted by Several correctional officers 3-24-22 / 1-23-23 3 different times without medical care and once with AI technology Damaging my eyes.

This has created several retaliation attempts on my life from all sides of the fence resulting to Panopoly conduct reports they knew I didn't do finding me guilty to ensure my unlawfully Incarceration at Westville. Which All superiors knew since 2019 this has taken place. I was given * magic tablet in which I was made to pay \$250.00 & per Policy I should due when All the tablet information comes up

it says magic tablet with all the codes to the tablet, which I am not suppose to have, cause other people have control over my tablet shutting it on/off at will wasting my money several times through out the year for subscriptions. In the terms agreements I need to opt in or out within 30 days, which I wrote the addressing information explaining I wanted to opt out and have a correct tablet. I've written all GLE stuff at facility explaining this and superiors.

All claims can be proved through Log books, oral statements, depo's I turned into the 7th cir / USC/NO I was denied without Just cause or correct legal terms concerning case 22-2985

So if you can order the 7th cir to retrieve this Evidence from Westville, Statements, Depositions, or the Responses from the interrogatories of witnesses, defendants, family, & friends, this will prove all my allegations to be true and correct. (even me swearing under oath) reviewing the USC/NO Docket/CCS under 3:22-cv-403-DRL-M66/ 22-2985 7th cir that will show the public importance of this case to be granted heard and Relief granted on my Part, Or at least for the situation to be investigated properly on both sides of the field. Then No one else will have to die or be attempted murder by corrections or incarcerated individuals or forced to do anything other than there time given by the Judge.

Several offender Ms Ethel Johnson/G. Stone has deducted money from there acct not giving any to the courts which is "Unlawful Debt" and violated trust inmate acct policy not leaving an offender enough to even order Hygiene, being indigent having \$15.00 for 30 days in which I was told I wasn't indigent by Westville staff Admins when I had less than that for 6 months. Denying me copies from offender Records for court purposes, indigent kits to stay clean which IDOC has a grooming, clothing, & Hygiene Policy there disregarding. I received Documents from 7th cir / USC/NO with a ledger showing IFP Granted in any event I was still charged which is also "Unlawful Debt" from fed courts. In events my family & friends has paid filing fees for there cases in which I was granted IFP status. my acct is \$2215.00 right now and no where in policy do it state to do this which is retaliation and A "Civil Rico violation". If you review Doc 24 filed 8-30-22 Pgt 7 order cause no: 3:22-cv-403-DRL-M66 "It's several lies" inside the order 1. Saying that I never signed the complaint which I've sent you'll and it signed & dated/Notarized by Sonnenberg; D. Maltese All letters, TRO, Preliminary injunction with Attachment that could've saved me from more Abuse/retaliation if they would've

at least ruled on the motion from 6-22-22, It's 6-9-23 and there is still no Ruling. Failure to Rule motion was entered Pro se, this was denied. (2) Being ordered to not write letter to support my motion or case is a violation of my Pro se litigation rights. I must be held to a less stringent standard than formal pleadings drafted by lawyers. (3) ON Page 2 of Document 24 It states blatant lies which "manifest injustice" that over 3yrs prison left my door open to be assaulted, when for the last 4yrs. I've been at westville with no doors. If you review my regular/Amended complaint I never mention anything of the sort. (4) On Page 7 It's States metal pins in my head which I never stated, but ignoring my Pleas for help Staff Did Do through out the time of being at westville experiencing my USC rights being violated and being assaulted. Never once did I speak on KUKLUXKLAN; that a vast network of Judicial superiors conspired over the past 20yrs (even if it is true in my criminal case) to deny equal Protection. This is the basis of my Federal Appeal which is Judicial misconduct, manifest injustice, violations of Fed C.V Rules, pro and regulations of the courts and Judges in which I filed complaints with Adrienne Meiring (Ex director of Judicial Commission of Ind supreme courts)

My U.S.C rights has been violated at Westville corr facility since I arrived 9-2019 My 1st, 4th, 6th, 8th, 14th. Several Policy's Procedure has been violated As I've entered on Rules, Stat, and other Part of my writ. State / Federal law has been broken by Prison officials. On 3-24-23 I was assaulted by Oscar Parish on 6 center for no reason then handcuffed and Assaulted by Lt. Diaz & Lt. Bradford burn my eyes out on Post 2 in which I was never sprayed with mace at all, so it had to be AI device with me being implanted by officer Thomas on the night shift in which he told me on PI in the end of 2021 the start of 2022 that the State made him implant me behind my right able elbow due to me Just having a seizure being cuffed. This transpired on 3rd term GSC the end of 2021, I have been physically, mentally, sexually, emotionally, & sexually assaulted while at westville. A Hilton sprayed me unjustly without cause 1-23-23 on PI in which I received another Penality conduct. Sgt Sabien used excessive force to remove me out of the seizure while in cuffs on DS3-103 in "22". All my Property was stolen by facility; inmates placed on Post 2 being made to look like a Prison Snitch giving me P.C waivers to sign in which I did not, so they continue to put me on several writs with all my Property gone, to look like I snitch 6C, 3d, 7d, & 8C. Even forcing me on dorms I didn't belong

10 days to be assaulted so I called my nonprofit organization Nicholas Greven and family to explain the situation and Sgt Stepp's Ki came and got me. Due to these debarcherics I went 90 days without cleaning myself or brushing teeth. Explaining this to Warden Calipenn, Shannon Smith, Jackie Algonzine, with Phil Sonnenburg/captain Brashinsky as witnesses in the start of 2022. Nothing took place either no help or investigation on the issues of ofc Pickel sexually Abusing me on 8C as well, while I was made to sleep by garbage with no mattress or Bed. Sgt Bullock was the ofc and sgt hall escorted me after being jumped twice and I didn't say anything then placing me in R18 several times. Fake Riots occurring Putting People on lock up, then sgt Burris acting as if he was captain yancey telling me to pack up and I was going home, which never happened. Being unlawfully held on DS-103 for 6 months for being assaulted in which case more property was stolen, being made to lie in a cell with feces & urine, no running water, or a toilet to use for several days. Which I received trays and had to eat in feces & urine correctional staff Denying Sanitary chemicals to clean up or clean it up, Damaging my Personal property in cells. 10 days I dealt with this UNSanitary & inhuman conditions for proof ofc Maxine, Whitaker, Chapman, McDuffy, Ferguson, case manager J. Kennick and I work captain Lewis and Lt creditton. So I begin to write grievance which are on the dockets of USCND & their in which I filed 6-6-23-6-7-23. Due to the grievances and denying me Law Library since 2019-2022. I begin to catch more Paraphely Conduct Reports in which is on record with complaints. I Also was told by legal Services Mr. or ms. Hicks that Law Library was a courtesy not a right and was denied to go to Law Library 3-8-2022.

my USC Rights was also violated by Lt. redding, Sgt chitchet, Lt. lee, and captain herr by violating Safety & Security of me being Assaulted; Also letting me know that the Dominoe Phone I had was tapped while in A2C "I pulled the phone out and captain herr said He is on the phone right now then said atme it was you the whole time." So how would he know is my first thought. So since 11-6-2021 I know these phones that was smuggled in by correctional officers given by incarcerated individuals family were tapped. which was unconstitutional especially being unlawfully incarcerated. Entrapment in which I listed in Several laws, Statutes, casesites, and Rules to govern this claim of truth.

Do to the negligence of the officers not Providing the Professional Responsibilities of staff

I was assaulted 6 times and Assaulted one man IVO Vazquez for speaking through the program speakers/wire that He Killed my Niece tati Anna Davis Smith. when Asking him he rebuttal as if he was getting a weapon. This is when I knew the ^{*}correctional staff was involved ^{*} on the line cause after fighting heads up not jumping, as I was jumped, and winning I was taken to Post 2. Not for the fight. Due to saying I was about to be released, I heard ofc moisant and ofc WARE say 2time DA Great always wait until the end to show his butt and I knew he wasn't gone keep taking no stuff on the wire then she said he can hear me" and went on 3rd floor.

So this is How I knew the inmates was in cahoots with correctional staff against me cause they was Playing with the Joke on me telling them about a transgender woman I've been with or being molested by a child, which invasion of privacy putting it out there intrusively through the speaker and physically making People Dislike me or treat me Different me never Doing anything. I never signed up for "Fed Carnes" or anything. As you'll see under ACLU Liberty National American tradition fights against without action of wrongdoing. which I did nothing wrong held Unlawfully by false Technical violations of Parole Directive #13-05, #14-04 and #13-09 not receiving a follow up from Matthew Pryor so I should've ever been incarcerated.

Also not receiving my CTP or Parole time equalling 374 Days which is still not deducted from my outdate on PAD this is from 2018 I was out a yr. It was very strange the woman I was conversing with on the clearance phone I believe worked for hire Private Program as well as Christie Kush because they knew everything that was going on in Prisons. Christie Kush telling me Omecia set her friend up. In which ^(Omecia) she told me she Hope my mother Die and I spend the rest of my life in Prison. I showed Courtney Beamon the text msg for a witness. Then not even a month later Lt. redding say Identical statement telling Nurse Kuiper that he want to see my face, when I had out my mother Died and I'm denied parole. Then a parole wasn't for several months. Then I got denied Parole. then I start Researching finding out this was a research facility seeing the same blue print of the GSC outside rec on History Channel "Ancient Aliens" So then I knew I wasn't suppose to be here at all. it was very stressful. So remembering Omecia Jackson saying I was her assignment

and that she can keep the money, it's part of the program. I'm thinking what program? So was it part of the program involving her Omecis M. Jackson ^{Asking me} Kill the man that Raped and Kidnapped her Daughter "heaven" Andrew Caaney giving me Date, time, and case number. **Also** where the court would be, saying that hell be at ISP or WCL. Ofc (Retired) Huthing could vouch cause when they violated my 4th Amendment at hospital I told him to make sure omecis my mother, and non profit was safe if something happen tell the phone is in me for evidence. which is a witness, So Rn. Rochelle Corteyla, was there when ofc J Brandon Walters/K. Smith forced me to go to St. Anthony's. After I refused to go which is violation of my rights. Lying saying it was for surgery on my finger, but when I got there A Rectal foreign was Done after X-RAYS retrieving the same phone cap'n here ^(Audio & visual) Intrusively Seen through my eyes holding me accountable for something he did not see physically.

My Religious Preference and diet for Kosher was constantly denied specialized claims were filed with All Chaplains due to them Changing my Preference on there on from Islam to General Christian then when I asked to be a Jehovah witness they refused that as well, which is all in the court system. Denying me the one program was already in a ISP RWT ms Martene Elkins-Watts called me a pervert and I never met this woman a day in my life; so how could she do that unless she been stalking me obtrusively through AT or gifts or spiritism. This also hindered me from going home Due to me being P'd by IPB, which violated ADRS and IDOC Policy; procedure for her to deny me. Due to me already been enrolled in progression with director Lembecke at ISP and should've been 1st on the list at westville.

12-2019 T. Cornett / Slattery violated Policy; procedure and IA policy helping finding me guilty of traffick with Jessica duffield in the visiting room when the woman is not even on my visiting list, or phone list; so how did I traffick and why was I found guilty with Derrell bailey, when the Person who she did visit Zach Delonge, which was white Didn't get no Rtu time; but the 2 African Americans recieved 6 months for His trafficking Charges. "Discrimination; Racist Acts from Internal Affairs"

and violating Policy which States if it's found to not be true that the IA Staff that Approved there conduct can be charged with Perjury, if offenders get the conduct expunged and be found not guilty of the statements received from Jessica Outfield or Zach Delonge. Do to them being white they was set free of these charges, while the blacks suffered fighting this case until Robert bucher expunged it.

I Also recieved retaliation from mentioning Al Kyle and Ricky Canada Death in my interview and conduct Appeal from Prison, having my nonprofit get help for inmates at westville During covid-19 Season we didn't have Sanitizer, Soap, test, covid mask, or anything and officers kept bringing in covid. The warden never walked the whole 4 months on C1, then we did A on call protest; IDOC worth and after this the prison was issued covid test, mask to protect us, Sanitizer, Soap, and nurse visits. I had to have every one not accept there food feeding ones out of our on box Just to show the facility we were serious. 2 white Dudes Died on B1 and Several elderly People was Sick. So instead of Riot beating up correctional staff I did 'A peaceful Protest,' and Hunger Strike on C1. I was retaliated by ofcs, written up on passively conduct reports and moved to another unit Due to this.

So I continue to file Motions in court trying to get Help 1983, 2254, TRO, Preliminary injunctions, complaints, and not even preliminary investigation was done by the courts. I wrote Laporte county Diana Hugen, Sheriff of Laporte, and Judges to investigate prison they said file a motion my mother filed a complaint with them and nothing I recieved more Abuse and retaliation and Abuse of discretion from the courts.

I Sent out Posters to my mother and friend America M. Jackson and the money was deducted off my acct and the pictures never left the facility at All. Mr. Hord property can vouch and trust fund acct History so that is a form of embarrassing, in which both parties I sent Posters checked the UPS tracking # 60L and trust circumnavigated me with, and UPS said they Didn't have nothing so when was the

money? (Affirm of that)

IDOC Policy States "If you believe an offender has something on him that you can't

On 8-30-22 my case was dismissed from USC/ND for not Paying filing fee IFP 1915A. Then 3-16-23 USC/ND Denied me an order when they wasn't even the ones that had Jurisdiction over the case any more it was from 3:22-cv-403-DRL-M66 to 22-2985 in USCOA and had been granted and recalled 3-9-23 then, I was threaten by USCOA by Judges ILANA Diamond Rovner/ Michael Y scudder to Pay full fee of Docketing with 14 days or my case will be dismissed. When A. they Dismissed my case once 1-26-23 and \$505.00 for the docketing fee was taken off my trust account 1-23-23 in which a e-file letter went to 7th circuit 6-6-23 and another one will go 6-13-23 with ledgers and Acct Balances from trust at the prison.

So Per Policy of PRLA IF I can Prove that my acct has been deducted for 7-8 different cases and most of those cases been dismissed for not Paying the filing fee or Docket fee in which I have task #6210784 1-23-23 505.00 Deducted, task # 7319364 #7319375 #7461083 #7461086 #7461091 #7461098 #7461214 #7461260 #7461288 and those equal to over \$2200.00 Dollars Deducted from my Acct. C #747123, #7617139. Even though June 1, 23 USC/ND ledger Shows IFP Granted on these Same cases I was made to Pay 3:22-cv-844 denied for Not Paying Dismissing, 3:22-cv-403 granted, 3:23-cv-282 granted, 22-2985 \$505.00 granted Dismissing all 3 of those cases Due to not Paying all those cases should be re-instated or granted Relief on these cases Do to federal injustice and wrong legal Standard/Abuse of Discretion. Attachment are E-filed under 22-2985 6-13-23/6-6-23 for you to see and court order are attached to Appendix C ledgers, trust, Documents, and Cashless system Documents.

Introduction to Reason for Granting writ of certiorari

The Case Sites Presented in the Writ Support the claims, issues, and merits of public importance. Due Safety; Security violations that will be less likely to happen to the next inmate or US citizen. If my Writ is Granted; Published for the world to See the way All Prisons are ran (especially in Indiana). Then with this All superior authorities can follow Policy/Procedure abiding by state/federal law not taking Power and control into there own hands. Ruining a 14yr old boy life through out the Prison system torturing him in adult Prisons in which I should've been in with adults as a Juvenile. Violating all my USC rights known to man throughout the history of incarceration especially at westville correctional facility. B. This case presents a fundamental Questions of the interpretation of courts decision *wolff v McDonell* (1974). The Questions Presented is of "Great Public importance", Due to this affecting the operation of all prison systems in a all 50 States, The District of Columbia; Several of city/Jails. In view of large Amounts of litigation over Prison DHB Proceedings violating incarcerated individuals rights. (Due to receiving over (15) Parapoly conducts to ensure my unlawful incarcerated) harsh confinement, and undesirable living conditions. Inhumane treatment these are issues of importance further enhancing by the fact the lower courts misinterpret Seriously *wolff vs McDonell* and violate Crim Pro, civ Rules, P.C.R Rules, Fed/state Law, IDOC Policy, and Parole Directives.

As you read my reasons I touch bases on all merits, issues, violations, USC rights, and the disregard from fed courts / 7th cir in Ind: Prison staff all the way to central office blatant disregard to IDOC policy, Parole directives, and Law Period. (even tampering with Supreme Court; USCDOC mail.

Reason for granting my writ of certiorari so that no rights be violated by IDOC, Private organizations, All Prisons, Internal affairs, and those of authority figure in the State do not allow incarcerated individuals to endure so much abuse physically, mentally, sexually, spiritually, and emotionally when they know exactly what has taken place (Governor Eric Holcomb; Christina Reagle commissioner) in which I made fully aware of my Assaults by Staff; inmates, all the retaliation, civil rico violations, drug smuggling, and violations of all Law. I Am still receiving Abuse, Discrimination, and Racists actions from Superiors. ① Impersonating Voices through AI, Using Personal info,

involving there self in Personal matters, is of Public importance. Constantly abusing me when everyone knows I am ^{*}unlawfully incarcerated ^{*}which Put "everyone" in ^{*}direct Participation ^{*}and indirect Participation ^{*}taking orders from the superiors to torture me. Due to a Program is of public importance to my family, friends, and those that love me saying there addresses, SSN, and Repeating my conversation on the phone is invasion of privacy especially physically and obtrusively through the wire.

② If this Petition is granting my relief in Justice, it will create a substance for IDOC Prisons to do things Properly, instead of the (left side) improperly. Causing harm physically, mentally, spiritually, emotionally, and sexually (even causing Death in Westville several)

③ This will Protect my family Life Due to the program putting our life in danger due to everyone in facility knowing important information that shouldnt know only knowing because there connected to me, intrusive thoughts, obtrusively being a child (immature)

④ It will bring light to the injustice of senseless Death and the bad back of IDOC Staff and superiors that have killed incarcerated individuals or let die do to being evil.

⑤ If granted and Laws implemented with stiff punishments and "no immunity" for Parole Boards, wardens, Private organizations, and certain wealthy People then this will be less likely to happen to the next incarcerated individual or us Citizen Period.

⑥ If granted the Federal court will not be able to deviate from normal appellate practice, which required immediate determination in this court (28 USC § 1201(e)). The lower courts decision of dismissal of cases I had in there court without the "preliminary investigation" to gather facts, evidence, or ordering IDOC / warden to show cause respond or anything showed me once they falsified Statments, using wrong legal term, and Abuse of discretion that they didnt care about breaking fed civ Rules or Appellate Proc for that matter under 1983 or 2254.

⑦ They USC/NO 7th cir fail to Protect my life as well not even Ruling on my TRQ Preliminary injunction 6-22-22 to prevent the prison from further violating my USC rights

and I ended up getting Assaulted by Staff and could've been assaulted by the same inmates that Assaulted me before. If granted this will not take place again without punishment to the warden and all that was involved if new laws are placed.

8. The national importance of the Surveillance, due to Samhsa, intensive RWT, and Intensive Snap. my character has been defamed everyone seeing my thoughts, life, and putting them out there obtrusively, intrusively, and physically. About being molested as a child and being with one transgender in my life, turning all female guards away from me and being harmed and Harassed Due to these things that really took place as a kid in 2018. If Granted this will not take place and ruin the next Person life without consent,

9. If this Petition is granted, the mentally ILL individuals nationally will be able to gain the support, truly needed to help instead hinder there mental even more. Bringing light to different mental illnesses such as mine everyone being connected to me, knowing my life since 2yrs old. When I know nothing about there life. If this is granted it will help Provide the substantial help that is needed to really help) Forcing the IDOC to follow the mental Health Policy; Procedure for IDOC.

A. IF I been told by MHP, Staff, incarcerated individuals, casemangers, Superiors, OJT's, medical, Psych, and friends that they see everything going on with me, knowing when I'm hungry, sad, mad, Past, Present, and alternates events in future times. Using it for there Amusement or to Play mind games, or gamble off of me which is Unconstitutional and a violation of my 4th Admonments. Never given me any help Just misleading me, blinking there eyes, speaking backwards, inverted, or in demon shutters to harm. Making me go without tablet I've paid for, food I bought, and property I had.

Some times the inmates will talk in Different ways as explained above, then the guard will shake me down or not feed me or not let me go to Rec or DS3-103 WCU, Several times this has took place (leaving me unable to use phone)

10. To bring forth light the way The Parole Directives has been violated and when brought to The Parole Director, an Supervisor/Central office Superior/Governor Eric Holcomb it was still not fixed At All. At least this will make them enforce or follow Parole Directive 13-05, 13-09, 14-04, 13-06, 12-08, and 12-04. Providing better Parole officers, Supervisor, and directors. *Due to there violations I've been unlawfully incarceration.*

11. To Investigate the Indiana Parole Board cases Due to violations I Put inside a 1983, State Habeas corpus, and Several Parole reconsiderations to courts, and IPB. As well After this maybe Chairman ms. Gwendolyn Horth will not use Profanity in a live hearing in front of Westville Parole coordinator Ms Cheryl Gann. Lying (G. Horth) Blantly as if I did such thing on conduct when theres no conduct to reflect and give offenders there "Written Statements" Per 14th Admenchment / 4 Rules policy ; procedure of Parole Reviews. I've Seen 4 Hearings with NO written Statements of Reason for Denial which I have rights to per case sites mention on case sites Page.

12. So that the innocence People is cleared from any Part of the violation of Privacy, obtrusive, intrusive thoughts ; double talking language which lead to Drugsmuggling Hire fed phones, Assaults, Sexual Abuse, Endangering LGBTQ, my life Being defamed or terrorist Acts. (Stopping the Prisons from Committing CIVIL Rico Violations which have been Done here. (Westville cost)

Reason For Granting the Petition

13. So that No one is ever forced to do ^{*}anything^{*} or Program without consent, forced to take anything they do not want or do something they don't want to do. Make movies, Radio, Repair, or Be involved In Fisa Violations of several Programs, which Hindered the Public life, Due to wire-tapping or Placing a Person under surveillance without proper Cause. People that was doing HIRE which Different People I know log on getting Paid for Either telling 2 different ways, inform information, or work for the federal Government talking Different languages.
- 14 Federal Games can stop which is Unconstitutional. I've Seen offender faces on the TV Screen for college teams at facility according to us working out, Doing negative things, Positive fake Signals being called for medical or Deaths boosting there Federal funding and Quota being made Down State at Central office (which I have silent Signals being called Documents for Proof) Black manifesto being implemented audio's visual on every one without consent. Creating fights, Robberies and People Legal work being Tampered with. This will bring light to it and hopefully Stop this facility for being a Prison of research being federally funded. "Several witnesses" on all sides of the field.
15. To bring Light to Legal Staff, Custody, Caremanager and mail Room Tamper with Federal / State mail or administration Changing OIS, OCMS, IRIS, or Tampering with to change outdate or Retalate against a offender that Has Lawsuits as they have done me in the worst way. Which will help all people.

Reasons For Granting Petition

⑥

16. So that the USC/ND, 7th cir, Private Co's, IDOC Prisons, Prison in USA, & Government agencies will not embezzle money illegally from the government or from incarcerated individuals Acc't, overcharging them for cases in federal court, ICI, Medical, or Postage. When they fit the criteria for Indigent Policy to receive these qualities for free (in which they have failed IFP Properly Per court ledgers & motions)
17. So that the USC/ND & 7th cir court will be on the same Page according to my Docket & ledger they are not. Due to USC/ND Dismissing 3:22-CV-403-DRI-MGG on 8-30-22 then Denying me IFP 3-16-23 when I was already in USCOA 7th cir court, and Paid filing fees for both courts Per History of trust/courts. Then A Pro se litigant will not be threated by courts to dismiss court case for false or wrong legal standards for not Paying fees they have already been granted IFP Status or been deducted from their trust Acc't.
18. So that every case that I can show I've been granted IFP or been deducted off my acct and case was dismissed due to this wrong legal standard case should be re-instated and granted relief.
19. So that Hire, Samsa, or Private organizations can not use females/males to entrap incarcerated individuals or unlawfully incarcerated individuals to do things unlawful, Destable, or violating any laws state/federal.
20. So that truth, Justice, and honesty is Put out there about my situation being used and Abused by incarcerated individuals, staff, medical, Admin, central office, governments, & Private entities That promote Omecia M. Jackson or others to contract People to kill individuals and violate law; not be charged.
21. So that All Superiors be held accountable for violating their own Policy & Proc; including State/federal Law as well from Central office Regional Directors, wardens, & all Directors in charge. (Superiors)
22. So that no one okay a Program ever, that will Put US citizens/immigrants life & family life in Danger.
23. So that if Superiors know something that's going on endanger A life, or their coworkers are Doing illegal activities they will be held accountable for their actions like everyone else. (even if someone dies from their illegal activity or almost Die)

Conclusion

IN Conclusion I Hope that the Supreme Court Review and investigate all matters Reaching the Department of Justice, Civil Rights Division Special Litigation Section 950 Pennsylvania Ave N.W Washington DC 20530 which The written and have Investigated Westville Do to these Same Issues, thats almost taken my life and the life of Several Others.. I Respectfully ask that the Private Organizations involved with Intensive Programs, RWI, Mental Health GAINS Center/TAPA Center for Jail Diversion Samhsa 345 Delaware Avenue Delmar, NY 12054, Mind Body, Soul, Primary Colors by Dawn Billings www.PrePinc.com and other Private entities involved are held Accountable Under Punitive Damages Due to "Qualified Immunity" they are given Per FRPA Rules & Regulations.
