**ORDER**

On July 11, 2023, the Plaintiff filed a Notice of Appeal (doc. 58) and motion for leave to appeal *in forma pauperis* (doc. 59). Because a review of the Plaintiff's motion demonstrates that he does not have the assets necessary to pay the filing fee, the motion will be granted.

28 U.S.C. § 1915(a) provides that "[a]n appeal may not be taken *in forma pauperis* if the trial court certifies in writing that it is not taken in good faith." The Court concludes that the Plaintiff can raise substantive issues on appeal that are not frivolous. *See Coppedge v. United States*, 369 U.S. 438, 445 (1962). Thus, the Court is of the opinion the Plaintiff's appeal is taken in good faith. Accordingly, it is

ORDERED that the motion for leave to appeal *in forma pauperis* (doc. 59) is GRANTED.

	)	
KAY IVEY, Governor of the State of	)

	)	
Defendant.	)	

**ORDER**

Upon consideration of Plaintiff's Motion to Proceed *in Forma Pauperis* (doc. 2), it is

ORDERED that the motion (doc. 2) is GRANTED except to the extent payment of the filing fee is required by this Order under 28 U.S.C. §§1915(b)(1) and (2), as set forth below.

Under 28 U.S.C. § 1915(b)(1), a prisoner who seeks to proceed *in forma pauperis* in a civil action or on appeal must pay the full amount of the required filing fee. Upon review of the financial information provided to the Court, it appears Plaintiff lacks the funds in his prison account for the Court to require payment of either the entire filing fee or an initial partial filing fee. However, under 28 U.S.C. § 1915(b)(1), the Court must assess and, when funds exist, collect the \$350 filing fee from monies available to Plaintiff.

In accordance with 28 U.S.C. § 1915(b)(2), it is further

ORDERED:

1. Plaintiff will make monthly payments of 20 percent of each preceding month's income credited to his account as payments towards the \$350 filing fee; and

2. Persons having custody of Plaintiff will forward the payments from Plaintiff's account to the Clerk of this Court each time his account exceeds \$10 until the \$350 filing fee is paid in full.

To aid Plaintiff and those persons having custody of Plaintiff in complying with this Order, the Clerk is DIRECTED to furnish a copy of this Order to the inmate account clerk at the facility where Plaintiff is incarcerated.

**If this case is dismissed for any reason, Plaintiff remains obligated to pay the \$350 filing fee.** The filing fee will be collected from any funds that become available to Plaintiff and will be forwarded to this Court by those persons having custody of Plaintiff pursuant the directives in this Order. **Moreover, regardless of any filing fee or portion of filing fee that may have been paid, under 28 U.S.C. § 1915(e)(2)(B)(i)–(iii), this Court will dismiss the case before service of process if the Court determines it is frivolous, malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from monetary relief. If Plaintiff does not wish to proceed with this case, he may request dismissal and request that no filing fee be collected.**

Additionally, if Plaintiff files a notice of appeal, he will likewise be required to pay the appellate filing fee, which is currently \$505.00. If Plaintiff has the necessary funds to

pay the \$505 filing fee when he files a notice of appeal, he must pay that amount to the Court with the notice of appeal. If the required funds are not available and Plaintiff seeks to proceed in forma pauperis on his appeal, he must complete an affidavit in support of that request and supply the Court with a certified copy of his prison account statement for the six-month period preceding the filing of the appeal. However, regardless of this Court's determination on his in forma pauperis motion, the entire appellate filing fee will be collected from those persons having custody of him from funds available in his prison

DONE this 5th day of June, 2023.
