JURISDICTION

"The jurisdiction of this Court is invoked under 28 U.S.C. § 1651. Relevant & constitutional & statutory provisions involved. The All Writs Act, 28 U.S.C. § 1651(a), provides: "The Supreme Court and all courts established by Act of Congress may issue all writs necessary or appropriate in aid of their respective jurisdictions and agreeable to the usages and principles of law."

Petitioner RICK Pro Se respectfully petitions for this writ of mandamus to this United States Supreme court: listing 40+30+86+60-Exceptional Circumstances. Separate: in first order to document IAS'S unavailability requiring ministerial, non-discretionary forfeiture for wrongful doing: these past seven years from IAS'S to RICK Pro Se Candidate. The referral document favorable to RICK Pro Se for Florida State Executive Branch of monopoly government must be in before October 31, 2023 as 2024 Collier County Property Appraiser election is already rigged! Appellee Pro Se ten government agencies/courts eliminated 100-percent critical checks & balances: procedures as prosecutor, judge and jury going into 2024 Election after 2016-2020 by Attorney General for Florida State wrong doing: business with own agency¹⁶ violated §112.313(3) Fla. Election Statute. As demonstrated in the attached Appendix (R, Vol. I, pp. 3-7) D.C. Newton, II FBN-244538 for fraud \$10,862.50 attorney fee. And (R, Vol. I, pp. 29-36: 2/3/22) Brian A. Newman FBN-4758 fraud \$5,000 fine unproven by joint & severable liability (R, Vol. I, p. 35, ¶19: 2/3/22) rendering moot Fla. Constitution Art. II §8 "breach" "claim" stigma censure. RICK Pro Se prima facie case sworn Facts 100-percent in FEC 16-245/FEC 16-357 (R, Vol. II, pp. 15-98): 40-violations. COE refused RICK Pro Se's complaint now recorded on GAWJR FBN-89465 (R, Vol. II, pp. 99-109) 30-violations. Plus: 54-extra-judicial violations itemized here-after.

¹⁶ §112.313(3) Fla. Stat. Fla. Stat. Doing Business With One's Agency-No employee of an agency ...if he or she is serving as an officer or employee of that political subdivision. ...

STATEMENT OF CASE-RELEVANT FACTS (Rule 14)

Unproven claims by public record declaration: 23-Appellee Pro Se manipulated & falsified public record issues by hearsay: 100-percent neutral: direct U.S. Supreme Court Writ of Mandamus.

Relief Not Available In Other Court: Double Agents Extraordinary Circumstance

1.) (i) "Not once allowed RICK Pro Se the opportunity to put his evidence on the table as sworn to with notary public: *FEC-16-245, FEC-16-357 & denied COE Vol. II filing* all by similar bias government official attorneys-at-law: 100-percent control U.S.A. Society in all sectors as sovereign against public service."

(ii) "IAS's Appellee team continues to violate §104.051 F.S.¹⁷ **for neglect of duty; corrupt practices demonstrate thru** unavailability forfeiture of public office his wrongful acts qualifying him at polls."

(iii) "Continues seven years into 2024 after 2016 & 2020 Naples Collier County Property Appraiser (R) Primary elections the lawsuit adjudication process has yet to play out transparently."

(iv) "Undermining election continue reaching implications not just of incompetence & neglect of duty."

(v) "IAS's proxy-accomplice-accessory to obstruct justice is a thirst for power. Signaled use of the not just willingness as unavailability. Resorted to mob action of IGM-Etc[FN#1] to get around institutional barriers, allegedly received Florida State Attorney General Funding."

CONCLUSION: "It is a movie with a grim ending that the past 33-years in this constitutional county monopoly government office knows too well. Examples include IAS'S (assessor) international published web page www.collierappraiser.com: use government agency county-circuit court lawyer judges/justices that 100% do not know the definition of 'location-location-location,' 'claim *market value* (willing seller) to be *assessed value* (unwilling seller) when *just value* is sole legal determinant. Violating §193.011 F.S. *factors to consider in deriving just valuation*. And IAS'S corrupt acts sitting in his air-conditioned office refuses to informally confer with taxpayer(candidate) violates §193.155(8) F.S. as IAS'S unavailability proof by unwilling to physically inspect any parcel of upon the request of the taxpayer. This violates §193.023(2) F.S. for the reason of incompetence (Appraisal IQ of 2). IAS'S never did understand what he was looking at!" Rule of law has never prevailed with FEC & COE."

¹⁷ §104.051 F.S. (2021) **Violations; neglect of duty; corrupt practices.**— (1) Any official who willfully violates any

2.) "After RICK Pro Se's one hundred percent collateral appeals he applies 'U.S. Supreme Court stare decisis/precedent Throckmorton¹⁸ (prevented presentation of case by fraud & deception rules of civil procedure) & Marshall¹⁹ (unconscionable to let result stand intrinsic-&-extrinsic-fraud).'

Also, Rule 20(3)(a): "*This (i) first hand knowledge by expert²⁰²¹ property appraiser petitioner RICK Pro Se impeaches the credibility (ii) of hearsay-no live testimony²² is lack of knowledge²³ on sworn FEC-16-245 & FEC-16-357 RICK Pro Se #30 plus COE #40-intrinsic violations with #54-extrajudicial, exceptional circumstance violations attributed to these 23-accomplice: Appellee's Pro Se in ten monopoly gov't controlled entities whose vast gov't wealth is to make work, doing useless worthless and unnecessary work, throwing it in the trash: created RICK'S poverty.*"

(iii) "International Green Machine^[FN#1] of undercover lobbyists 24/7 big-business bribes are in part credited with purchase of malice-hate crimes in part bankrolled by IAS'S hostile-Appellee team:

- "Double Agent: Steven Allen Fox FBN-2446654 malpractice case ongoing!"
- "Double Agent: Adam Jeremiah Oosterbaan FBN-597511 voided small claim rule 100% JTV-DP-R w/4-cameras plead without RICK'S permission. As County Judge Rob Crown FBN-__ is not trained."
