I have been illegally detained against the laws of this country, the Constitution of the United States, international law, and her human/civil and Bill of Rights. In the time frame of the governments illegal confinement of the Defendant, the private attorneys of the defendant have used this opportunity to drain the defendant funds down to nothing so he would have no choice but to go along with attorneys who were against him or with government controlled paper counsel. I have nothing and no one, only my mom who has limited funds and is very limited as to what she can do.

I declare under penalty of perjury that the foregoing is true and correct.
