## QUESTIONS PRESENTED

1. Why did the lower Courts with the entire US Media, CDC hide this US Resource and faked a Pandemic, knowing the Covid19 Mask was printed on the \$20bill when the currency was refaced in 1999 with the 9-11 Towers too? WHY DID THE US COURTS AND MEDIA HIDE THIS ISSUE FROM THE PUBLIC AND VACCINATED SOLDIERS AND FAMILIES without DISCLOSING this ISSUE? This was presented at a Lee County Church in Bonita Spring to US Congressman Byron Donalds on February 21, 2023 <https://youtu.be/fBJ5nvk2j3k> and continues to be hidden by the DOJ, Media and all US Congress pursuant to Title 18 US Code 241 & 242; where the US Media, CIA, Hollywood and Congress with Florida and other States have implemented H.R. 5736 Modification of 2012 on America as an ACT OF WAR the week Petitioner exposed the Global Underground Water Knowledge to the EPA, Florida Department of Environmental Protection, Peace River Manasota Water Supply, Southwest Florida Water Management District and Florida Congress/Senate.

This same \$20 US bill (owned by a European Bank since 1914) has the 9-11 Towers on it and therefore the PUBLIC needs to address the Courts, Judges, Media and Leaders who played America and Nations with vaccines without disclosing the game on the US Currency, hiding unique Water Supply resources that lowers Cancer rates, viruses and cost to the Tap of millions. See *Gilberti vs CDC, et al*, also ignored by the entire State of California and its leaders with Florida.

2. Why did Lee County Sheriff Carmine Marceno and Sarasota County Sheriff Hoffman, with State Attorneys, Desantis, Trump, Biden and Florida Congress attempt a School Shooting setup at Lexington Middle with a Covid19 quarantine game on April 1, 2021 with a planned Shooting Drill, at Lexington Middle School; Evidence now shows it was an attempt to stop the Service of this Case to the Pentagon with Judge Liam O'Grady; who left a cocky message and then resigned after decades of work. This action and others are showing the DOJ is a massive gang of criminals attacking America and Humanity's ability, with the EPA and UN to access to a Global Water Supply deep in the Earth for their ongoing Military complex and Eugenics. See *Gilberti vs Carmine Marceno, et. al*, Lee County Florida Case 2022 CA 03080 NC, which includes the Pentagon and Desantis, which is DIRECTLY RELATED TO THIS PETITION and COURT where this entire US Supreme Court knows of this Resource which Ketanji Brown Jackson has FRAUDED AMERICA on since 2019!

3. Why did Sarasota County purchase the Petitioners property in a Fraudulent Transfer done on October 5, 2020 online at Sarasota county Clerk Comptroller where Judge Walker, 72 Partners LLC, Circuit 12 and attorney Ryan Snyder SWITCHED OUT THE LEGAL DESCRIPTION with over 2200acres stolen while Petition is kidnapped for 4months and Judges can't find him from Circuit 12 and Circuit 13, amounting to the 27 attack since 2013 on Petitioners family and Civil Rights. See Appendix 1, which shows the land and MOTIVE for all Cases and DOJ Treachery still ongoing. See *Gilberti vs FBI, et al*, Case 2023 CA 04821 NC in

Sarasota county with more filed in New York and other State for obvious connection of Notre Dame, Harvard, Yale and Tampa to 9-11 and this Florida Water Supply attack on Petitioner and civilians by the Pentagon, DOE, EPA and local Florida land developers.

4. Why is the Pope, Catholic Church, Archdiocese of Miami, Diocese of Venice, Tampa Moffit, EPA, FEMA, USGS, NASA, FDEP, NYDEP, NJDEP, FDEM, Notre Dame, Duke, Scripts, Harvard, Yale, Florida State University, University of South Florida, Northwestern University, Southern Methodist University, Florida South Western University and University of Miami hiding and attacking this medicine changing resource located at 9438 Daughtrey Road, Sarasota Florida 34266 that shows mankind how to find the rest hidden under all the underground Military bases, many golf courses, buried volcanoes and meteor impacts.

5. Why did Biden, Trump, Congress, Governor Desantis, EPA, and Florida Department of Environmental protection, along with multiple City/County and State Agencies hide this Global Resource for medicine within a unique underground Aquifer producing endless Clean unique alkaline spring Water to purposely LOWER THE LEVEL OF SERVICE of Water Quality to the TAPS in West and South Florida to INCREASE Cancer rates, viruses and big pharma sales in the West Florida Regions with Tampa Moffit-USF, Lee Health Systems and local developers selling millions of arsenic Homes? **SEE GILBERTI VS PENTAGON et al, in Arlington Virginia Case 1:21-CV-00680-LO-TCB** which includes FBI, CIA, US Supreme Court Justices, CDC, Media Giants, multiple Governors and agencies hiding a critical US Medicine and Drinking Water Resource.

6. Why is the FBI hiding Clean Water Resources with Terrorist in Florida using Cops, Judges, School Boards, Media, ex Military, School Principals and Desantis and Mayor Eric Adams. **See Appendix for another project in New York showing the 9-11 Sarasota Blue Gold Bush Family, and why Building 7 went down.** They were trying to crush Aqueduct 1 & 2, which are failing and leaking over 35MGD since 1991, and it was planned by Notre Dame, Pope, Vatican, Sarasota County gangs tied to Carlton Family, DeBartolo, Epstein gangs, Trump, Desantis and more from Yale, Harvard and the IVY League brats of America.

7. Why are all cases avoiding all DISCOVERY and EVIDENTIARY HEARINGS and simply riding Corrupt KETANJI BROWN JACKSON'S ORDER from the *Gilberti vs Federal Reserve, et al*, case also hidden by all Leaders and media in a skyrocketing Inflation across America.

8. Why did the US Congress pick a SCOTUS during the 2020 Election after US Supreme Court Justice Ginsberg died, knowing they were entering a Racketeering case at the US Supreme Court. Why is the US Supreme Court and all US Congress, with this case, and others related as listed, in plain view causing an OBSTRUCTION OF JUSTICE BY CONGRESS AND US SUPREME COURT with ABUSE OF

DISCRETION to hide this World Resource from America with the Federal Reserve who put the Coronavirus mask on the \$20bill after 9-11 with this foolish spoiled gang of Judges, Yale, Harvard, Notre Dame and Ivy league stuck up Kid Killers hiding BLUE GOLD to the Taps of Humanity and America.

9. Why did Desantis, Lee Health Systems, Mosaic and a Racketeering group of Lawyers, Judges, Cops and Court Clerks attempt to steal this resource during the Election and attempt another fake school shooting surrounding Engineer Gilberti's family, child and school in Lee County on April 2, 2021 during a Barrage of Court Fraud and Title Fraud timed with Piney Point STATE OF EMERGENCY where Desantis uses RESERVIORS from mining with MOSAIC PHOSPHATE for Regional Drinking Water next to this underground spring River?

Then quickly signed Smith-Mundt Act Modification of 2012 and 2013 (funded for Desantis and NAVY on Boston Bomb game to subdue Engineer Gilberti with Tampa Central command) Congressional Terrorist Act was initiated to subdue the Petitioner with timed Acts days after the 50yrs hidden World Resource was discovered and emailed across the State of Florida an USA in April of 2013.; to Leaders, Media, US Military, local land Developers, Politicians, Cops and Respondents.

10. Why are all Respondents hiding this US Resource when Viruses travel in Water Supply as much as the air during a National Coronavirus Pandemic? This hidden US Resource shows us through geotechnical engineering maps at both Department of Interior and Peace River Manasota Regional Water supply in west Florida how to find many more of these unique resources may be found across Earth in days; as shown in recent permits in a new Case filed in Central California, Gilberti vs CDC, et al, Case No. 2:20-CV-08251-FMO. Judges, Courts and Agencies tied to this case and other RICO cases was filed in California, due to so much court corruption in Florida, Georgia and Washington DC by Judges and Attorneys hiding this for Respondents who attacked not just America but Humanity.

11. Why are Respondents multiple Courts, US Media, Wall Street, Judges, Law-Firms, Lawyers, Universities, Large Engineering Firms, Twitter, Facebook, Politicians, Police, School Boards and Respondents hiding this US Medicine resources and Global Water Supply knowledge to attack Americans in a Coronavirus Pandemic and using Courts and Judge Orders to PRETEND this Racketeering Enterprise and US Resource doesn't exist? Riding ONE DECISION by Judge Ketanji Brown Jackson (an Obama-Biden Criminal from Communist Harvard University) who never allowed discovery to hide this US Resource from ALL AMERICA, knowing the Pandemic was coming via the \$20bill by the Federal Reserve.

12. Why are respondents who are local Engineers who design water systems failing EPA and Florida Department of Environmental Protection Laws and Codes to PURPOSELY lower the Level of Service of Water Supply, cost more to maintain systems by ignoring the HIGHER LEVEL OF SERVICE raw resource available for decades, in a racketeering group of Hospitals, attorney Politicians, US Navy Kyoto

Protocol with UN; and Obama-US Navy and Blue Green Algae bio-fuel grants in Lake Okeechobee which now have mutated in the air with a GMO's inundating most Wells in Florida, which Media hides, to destroy Water Supply for millions of taps in West Florida with Respondents. WHILE HIDING THIS RESOURCE WITH TERRORISM ACTS, COPS, and SCHOOL SHOOTINGS AND BOSTON MARATHON EXPLOSIONS timed with Florida and US Judges in Tampa to raise bonds, as shown in Gilberti vs CDC, et al., case and this case, as well as many more.

13. Why are Marjorie Stoneman Douglas victims hiding this unique resource submitted for funding 17 days prior to shooting to Marjorie Stoneman Douglas building in Tallahassee for State Revolving funds, with an offer at the School Board to help open this resource, with filed permits, SRF funding apps on March 20, 2018 with a multi-million dollar offer to show wounds, talk about violent video games and do forensics to help open the truth and this World underground knowledge for other Nations. In turn solving Blue Gold Water Wars across Earth saving 20,000 kids/day from dying of dehydration, solving Hunger and reducing reasons for Wars and boundaries. See new Federal Case filed in Southern District Florida, Gilberti vs Cruz, et al, Case 0:21-cv-61705-KMW.

14. Why is Congressman Byron Donalds being promoted in Congress the moment Petitioner contacts him, as he hides from Petitioner during Hurricane Ian, knowing of the new find in New York, where he was born, and the Florida project hidden by all Commissioners for 10yrs of attacks from Tampa to Miami, and especially Miami, Palm Beach, Boca, Broward, Naples and Sarasota who use Notre Dame Judges and Tax base to attack America's Water supply resources. To essentially kill children with a gang tied to Epstein and 9-11 Blue Gold Bush Family who controls Sarasota and Tampa Central Command, who help do 9-11 as we move forward with this Global discovery.

## PARTIES TO THE PROCEEDINGS

The Petitioner is **Joseph D. Gilberti, P.E.**, an Individual and Licensed Professional Engineer in Florida, PE No. 56079. Petitioner is also the landowner with access to the hidden underground World Resource, the Engineer of Record in final permit approval of the hidden US Resource pipeline transmission to serve West Florida in months with a connection (FDEP Permit Facility ID: 6142734 DEP Application No.: 78714-026-DS; is requesting full discovery and investigation on a hidden Florida underground endless unique Global Water Supply, Energy and Medicine Production Resource. NASA, EPA, Federal Reserve, Bush Family, Dept of Interior, Tampa/Manatee/Sarasota, SWFWMD and Respondents hid this underground endless resource for years. Full Discovery on new Case against FBI, CIA, Department of Defense, NASA and Respondents.

The Respondents are **C THE PENTAGON, et al.** Federal Reserve Bank of Atlanta, Federal Bureau of Investigation (FBI), Central Intelligence Agency (CIA), US Congress, US Senate, Center of Disease Control and Prevention (CDC), Anthony S Fauci, M.D., WORLD HEALTH ORGANIZATION-PAN AMERICAN HEALTH ORGANIZATION (WHO-PAHO), Bill Gates, Time Warner, Fox News, CNN, Walt Disney, MSNBC News, **US Supreme Court Justices of the United States of America**, Boston Police Department, Governor Gavin Newsom of California, Governor Ron Desantis of Florida, Governor Kay Ivey of Alabama, Governor Brian Kemp of Georgia, Governor Gretchen Whitmore of Michigan, ex-Governor Rick Snyder of Michigan, Charlie Baker Governor of Massachusetts, Boston Police Department, American Society of Civil Engineers. National Aeronautics and Space Administration, U.S.A. (NASA), US Department of Interior, 72 Partners LLC, Florida Conservation Group, Inc., **Sarasota County Commission.**

The CIA due to HR 5736 has implemented WAR ON AMERICA with a Gang of Tampa to Miami and Congressional Clowns who believe they can hide these massive underground rivers in the rocks of unique Water Supply from Mankind.

**CONGRESS AND PENATAGON MUST ARREST 90% of MEDIA, CIA and FBI FOR US TREASON using Smith Mundt Act HR 5736 on Americans since May 10, 2012 as an Act of War with Media ILLEGALLY pursuant to Title 18 US Code 241-242.**

## OPINIONS BELOW

Appellant seeks review of the Memorandum Opinion of lower Appeal court for the 4<sup>th</sup> Circuit in Virginia (see **Appendix I**) that simply road the Judge Kentanji Brown Jackson of the United States District Court for the District of Columbia in case number 2:19-cv-00738, for Gilberti vs Federal Reserve, et al., which includes all Congress and Obama. That Opinion, issued on April 29, 2019 dismissed the Case without Prejudice within 30days, the same day the Clerk signed the summons for service, as fictitious and/or 'Patently Insubstantial' for the entire complaint, WITHOUT ANY DISCOVERY that involves 8-14yrs of extensive civil engineering and water supply infrastructure improvements in West Florida covering 4-10 Countywide Region which is hiding an endless underground spring Aquifer while utilizing Radioactive arsenic mining spill rivers that are heavily treated to the Tap. The Lower courts for this case simply called all cases the same, and nitch all DISCOVERY with the same pool of Racketeering Lawyers and Judges that just keeps growing all the way to the Bush Family Ranch and Rothschild Central Banks, FBI corruption and the STUPID ELECTION that brings nothing but LIARS and CHEATS, now shown at the US Supreme courts too.

Fort Myers, Tampa and Georgia Judges are working for cash infused Terrorist like Judge Jackson who all played stupid and ignored everything to STONEWALL discovery prior to service, to be promoted as a Political figure; and held *sua sponte* that the case lacked Jurisdiction and is based on Conspiracy theories without any diligence or expert testimony from agencies who have now been served that have Mission Statements and Tax paid civil duties to utilize the best raw water resources for the Public. Kentanji Brown Jackson conspired with DOJ in DC under Title 18 US Code 241-242 and the US Supreme Court did again on Gilberti vs Desantis, et al, that followed during a barrage of Civil Rights attacked that ultimately shows Sarasota County, a 9-11 connection, tied to Smith Mundt Acts of Treason per HR 5736 imposed and acknowledged by US Congressman Byron Donalds as of this year, Feb 21, 2023.

Attached in the **Appendix II** are record permit correspondence by the Florida Health Department, exhibits, with comments regarding the resource from local County, State engineering and Federal agencies such as the Army Corps, Department of Health, Southwest Florida Water Management, Sarasota County, Florida Department of Environmental Protection with comments, thousands in fees, with stamped in water readings in 2013 just after the Terrorist attacks by the Enterprise to kidnap Plaintiff, to the Health Department with endless ready to drink spring water from this underground river centralized in the Peace River Manasota 4 County infrastructure.

See Gilberti vs CDC, et al case in California on DC, Georgia and Florida/US District Judges who harbored Terrorism, helped kidnap Petitioner with Tampa, Broward, Fort Myers and Sarasota RICO gangs of Cops, Firemen, School Boards, Teachers, Judges, US Marshals, Secret Service, CIA and bounty hunters known to

steal Children for these RICO suspects with local Churches, JEFFERY EPSTEIN and Boca ADL tied to the same folks attacking PRIMARY WATER access with EPA, Federal Reserve Monetary Global Banks and CDC.

The lower court judge like many judges who harbored these Terrorist attacks timed with this Water War and called this whole complaint and critical situation fake is 'Patently Ridiculous'. It is patently unacceptable for a Judge to dismiss a case, or any Judge Panel, to SKIP ALL DISCOVERY, with an obvious abuse Discretion by the Courts, due to a SCOTUS being picked during the Election when all congress, Biden and Obama were docketed with Petitioner, at the US Supreme Court from 9-11-2020. You cannot pick a Judge heading into a Racketeering case with the healthiest Aquifer in the World, then hide it from all America, is ABUSE OF DESCRETION AND OBSTRUCTION OF JUSTICE in the Gilberti vs Federal Reserve, et al, case where Obama and Biden, with all Congress hid this Resource during the Trump-Biden election with this US Supreme Court to attack all America during a Pandemic.

A new filed Civil Rights case if filed in California for Court Fraud and Racketeering on Judges throughout Florida and the Eastern United States. The entire US Supreme Court, its clerks, staff, US Marshals and Judges are all under investigation for US Treason harboring US Terrorism to hide this US National Defense and Regional Water Supply resource with all Florida Senate, Florida Congress, FBI, CIA, Jeb Bush, Harris, Biden, Clinton, Desantis, Harvard, Yale and Florida Universities, with NASA, EPA, FEMA, Hospitals, Doctors in Florida and USGS.

Another tangible case Gilberti vs Pentagon, et. al, and Gilberti vs Cruz, et. al, has been filed in Arlington Virginia and Miami, Florida, respectively, that, if ever discovery is allowed, will show details, witnesses and videos of timed Terrorism by Florida Police, Media and a slough of Lawyers and Judges working with Israel Mosaic Phosphate and Greenberg Traurig law to attack America, time Terrorism and hide this resource with title, mortgage and court fraud.

Related cases show timed subduing of Petitioner a Professional Engineer exposing a Unique Primary Water Access from KT Event and another in New Jersey to save New York with a Sarasota 9-11 Blue Gold Bush Family connection and new cases in 50 states on US Attorneys Generals for Title 18 US Code 242-242, for using HR 5736 Smith Mundt Act modification of 2012 w Pentagon, CIA and NDAA on Americans, as an Act of War pursuant to Article 1, Section 8 on May 10, 2012 retroactive with Petitioner FDEP and Swfwmd meeting in Sarasota County.

## JURISDICTIONAL STATEMENT

This Court has jurisdiction over this action pursuant to 28 U.S.C. §§ 1331, 1332 and 2201 and may exercise supplemental jurisdiction under 28 U.S.C. § 1367. Since claims are made regarding a VERY REAL natural resource being hidden by Respondents and others in a Water Eugenics racketeering operation to design around the REQUIRED RESOURCE owned and permitted by the Petitioner. Although lands under attack are in West Florida, many more of these resources exist throughout the nation, such as near Flint Michigan, New Mexico, Texas, Alabama, Washington DC and across Earth.

Venue is proper pursuant to 28 U.S.C. § 1391.

This Court has personal jurisdiction over each DEFENDANT as each purposefully availed itself of the privilege of exploiting forum-based business opportunities and the exercise of personal jurisdiction is consistent with the U.S. Constitution.

The District Court had jurisdiction to review the Petitioners Water supply and public permit records in its possession. The court abused its Discretion, avoided just claims and all discovery breaching Petitioners civil rights and Freedom of Information Act ("FOIA") for this case, and related cases regarding years of Water supply engineering. moreover, the location of a massive underground hidden critical raw water resource, centralized within a 4-10 County infrastructure in West Florida.

Requests pursuant to 5 U.S.C. § 552(a)(4)(B) and 28 U.S.C. § 1331. The lower court held *sua sponte* that the claims at issue are "Patently Insubstantial" or "fictitious" under, without any diligence to the obvious Water resource, as a result, it lacked subject-matter jurisdiction to resolve the claim.

This Court has jurisdiction to review this appeal pursuant to 28 U.S.C. §1291. This appeal is from a final judgment entered by a District Court within the District of Columbia Circuit on April 29, 2019 disposing of all parties' claims.

Plaintiff filed a timely notice of appeal to US District Court of Appeals for the 4<sup>th</sup> Circuit which all discovery was ignored and dismissals were timed with more attacks on the land as they are all working with a front called 72 Partners, tied to C1 Bank, Ozark Bank and Community Bank of Manatee, Debartolo in Tampa, Neil Benderson, Pat Neil Lakewood Ranch, Hugh Culverhouse, Lennar Homes, WCI, US Homes and more washing billions in bank notes from CDD and Infrastructure racketeering.

## SUMMARY OF THE CASE FACTS

A Racketeering Complaint was filed on Governor Ron Desantis and more working with water supply agencies and large corporations who have a statewide Racketeering and Water Supply Eugenics Enterprise centrally networked in west Florida from Tampa to Naples Florida which is Politically connected across America, UN and Washington hiding a critical unique underground resource in Medicine Production, Endless Unique Water, Food and Energy production.

The case was dismissed by riding a similar case decision via *Gilberti vs Federal Reserve*, et al, where a Political hungry, Obama-Biden appointed Judge Kentanji Brown Jackson, avoided all discovery, attacked Petitioner's civil rights, and dismissed the case, in hours, without summons being signed for service by the Clerk on April 29, 2019, only 30days from the filing. Preventing over 15 tax paid agencies, and appropriate staff, like Engineers and labs, to analyze this resource, and sent in Judges and lawyers who know NOTHING, to attack America and Humanity.

Research show Judge Kentanji Brown Jackson is new without much experience and was immediately nominated for US Supreme Court Justice by a Respondent ex-President Barrack Hessian Obama, both Harvard colleagues. Therefore, many Respondents, much of whom are Federal Tax paid agencies with overall Missions Statements created to insure the Healthiest and Safest raw drinking water resources to the Public used this Judge to hide the Resource with many more Judges from Americans without any care for dying US Families from Cancer Rates who are currently utilizing polluted Radioactive treated arsenic Florida rivers calling it 'Patently Insubstantial'.

The Judge simply copied a template from another case (which has been used by her multiple times in a Political nature) and Politically dismissed the case in a few minutes to protect Barrack Obama and Florida Leaders and/or Defendants hiding this Resource in a Big Pharma Enterprise with timed terrorism attacks that can be shown in Discovery. Judge Brown should be removed from her position and arrested for negligence and harboring Terrorism timed with hiding this critical underground hidden US Resource. She is included with many more in the new filed Civil Rights case tied to this case that shows specific names, dates, and timeline of 8yrs of US Treason by multiple leaders, agencies, courtrooms, lawyers and more.

No Discovery was permitted or service from agencies that have a mission statement to help the Citizens get this resource to their taps as it's endless and its water quality is off the chart for health compared to any bottled water or mixture known to Mankind. It takes a few hours of time to verify the resource with engineers, labs and/or a qualified professional company and now has been processed for final permit, so it is very real, not fictitious. Who are these crazy US Judges and

courtrooms who hide clean water, jobs and more for Politicians and Terrorist? This is US TREASON by Judges!

This resource will show with its knowledge many more similar resources of like and kind, across America which NASA and the Dept of Defense, EPA and FEMA are hiding from THE PEOPLE, including Washington DC, Camp Leguene, Flint Michigan, Mexico, Texas, Panhandle, California, New Mexico, other Nations in the dessert, from its geological indicators.

Oil Consultants who verified the resource can provide data in Discovery within the Agencies over the years at the Department of Interior, EPA, Army Corps of Engineers, Southwest Florida Water Management District, who hid this Resource with the Bush Family, Congressional Leaders, Lawyers, Engineering consultants with NASA and various Universities to create medicine, vaccines, diseases, higher Cancer Rates from poor raw treated water resources. This Water culling created more reasons for Colleges, tuitions, games that ties to Racketeering our Federal funds to do 501(c)(3) Cancer Research Grants at USF-Moffit Tampa, to study sick and dying children, families, and animals from purposely treated radioactive rivers to the Tap versus this endless Antioxidant spring water to the Tap to millions of tourist and Americans.

Racketeering case *Gilberti vs Center of Disease Control and Prevention, et al*, in California District Courts, Case 2:20-CV-08251-FMO that within days tried to illegally hide service to ex-President Donald Trump, do he can expose the Corruption across Congress, Florida and the Judiciary on the World Resource, which did make it officially at Mar-a-Largo, Palm Beach on March 5, 2021 and recorded in Courts with signed service through Secret Service at Mar a Largo. See Appendix II.

The Town of Palm Beach engineering department and all County Leaders from Tampa to Miami, State Attorneys, Police Chiefs, Hospital boards in region also have the cases, Terrorism and Obstruction of Justice at the US Supreme Court issue loaded in the Gilberti vs CDC case and more cases being filed on Judges.

This new case will show Discovery with Professional Engineers with years of experience in Water Supply versus a Harvard Lawyer Judge Kentanji Brown Jackson, from Miami Florida who knows we have water problems and of my presentations to Miami-Dade on July 15, 2014 at Commission, Item 1E1 and Broward County on April 12, 2016. Judge Kentanji Brown Jackson is from Harvard like Obama and is friends with the Defendant ex-President Barrack Obama, who hid this Resource with the Bush Family as we can show with witness Leaders who said they saved this US Resource for 9-11 Sarasota Kids Classroom Pedophiles George/Jeb Bush wishing they had deeds to this US Resource for Israel Mosaic Phosphate to get campaign money and more to be the next President and kill millions of more kids, pets and families with virus and cancer rates in water supply.

## CONCLUSION

The Judgment of the court of appeals and lower court should be reversed and all Respondents should be called in for a Discovery and investigations on said issues, the US Resource and why they hid this critical medicine production Resource with timed Terrorist attacks from America and Humanity, shown in Public Records with many witnesses ready to testify.

The PENTAGON was supposed to side with me and come to the property(s) in Florida and New Jersey to help AMERICA not play with Notre Dame Judges, Presidents, Florida Politicians and Media to hide it, and should be called into National media as to why they would do something so sad and stupid.

Even now in a Coronavirus Pandemic across Earth with a mask shown on the \$20bill since 2003 for the Federal Reserve's private Rothschild Global World Bank Monetary Fund and their 9-11 Deep State Blue Gold Bush family games of Water Supply and Eugenics, Acts of Treason with RESPONDANTS WHOSE ENGINEERS KNOW PETITIONER FOR DECADES IS AN HONEST ENGINEER AND THE RESOURUCE IS REAL, not one Judge will risk ordering a Water Test for all Humanity, but instead ride the original NITCH Judge Brown did in the Gilberti vs Federal Reserve case, as attorneys and Judges are in the Enterprise too.

No Respondent CARED FOR AMERICANS and must now show some sort of ethics on this issue and mandate the Media by surrounding all Florida courts and Politicians with Military guns and arrest all Florida Politicians, Sheriff, FBI agents, CIA agents, School Boards, Sheriffs and Media for US Treason on Water Supply and its knowledge to help all other Nations end World Hunger in Days.
