QUESTION(S) PRESENTED

1. As a Moorish American National I am asking if I have a right to Constitutional protection,
2. I am registered as an Aboriginal Moorish American Class A-1 Citizenship in the Library of Congress, am I protected from racial profiling, harassment by law enforcement, police brutality, and assault under the Universal Declaration of Human Rights, Article 13?
3. In response to Omnibus order filed on 5-9-2023 I was granted less than 30 days to Amend my original complaint and refile by 6-5-2023 and state a claim on which relief can be granted and I met my deadline, within the time allowed, yet my case was dismissed or closed without review of facts or evidence, What Act of State justifies this?
4. I was given one option to file on form 61983, Was that my only option as my original complaint was followed by an injunction, Writ of Certiorari, and Writ of Supervisory Control, yet not one of my issues or complaints ~~were~~ investigated or brought before the jury on which I demanded.
5. Per order filed on 7-5-2023 case# 22-80733-CIV-Singhal I am asking if one case can have multiple case#, as my case# seem to have changed. (1.) 9:22-80733-AHS-Singhal (2.) 9:22-CV-80733-AHS-Singhal (3.) 22-CV-80733-AHS (4.) 22-80733-CIV-SINGHAL
6. In my Amended complaint filed 5-26-2023 I stated the Claims upon which relief was sought and I listed the remedy or recourse that would be acceptable and I wanted a Jury Trial, yet my complaint was denied, how can I seek relief from my injury if Court refuses to investigate.

STATEMENT OF THE CASE

I was arrested in Palm Beach County, upon which my Human Rights, Civil Rights, Constitutional Rights, and right to privacy were violated. I sought remedy in state court via Affidavits, Writ of Quo Warranto, Motion to Dismiss, Motion to Suppress, Fruit of Poisonous Tree, and my Right to Religious Freedoms. After being ignored, denied and held in contempt of Court, I filed a Civil Suit against All involved in my prosecution, yet only one Public Defender recused himself and all others named in civil suit continued to prosecute my case. I noticed Vindictive Prosecution as I demanded Corpus Delicti be preserved by my Accuser so I could examine them. I demanded Delegation of Authority be put on record as I saw no Jurisdictional proof of Authority to prosecute an Aboriginal without a Consul present, or a jury of my Peers (Moors). I was bleeding from my face and ear when in custody of EMS and officer stated I was under arrest for Resisting Arrest and Fleeing and Eluding prior to my body being searched and no consent was given to do so. No Probable cause. I filed my civil suit when I recognized a relentless attempt to convict me, even when one court realized my right to Speedy Trial was violated. My case was moved to another court to reset the clock with a more experienced Administrator. Prior to my Trial my case should have been Discharged. The actions taken in US District Court to Close my ^{Civil} case twice has proven to me that a Private State National Aboriginal will not be Adjudicated lawfully in this State. I responded to all notices and orders from court. I am sui juris, propria persona, at all times, yet my right to Constitutional Protection has been denied me in 13th Judicial Circuit of Palm Beach County, that led to the Civil Suit I am Appealing before you today, Case # 9:22-CV-80733-AHS-Singhal was my final chance to regain my Lawful status as a Law abiding Resident that Domiciles in Florida Republic and upon Love, Truth, Peace, Freedom, & Justice I affirm the facts here in stated. Alan K. Jah EL ★

REASONS FOR GRANTING THE PETITION

In multiple cases cited this court ruled that jurisdiction must be proven and not assumed,

Jurisdiction is not a priveledge that can be granted by agreement of parties.

Upon my heirship, inherited Nobility, and upon my private aboriginal / Indigenous, proper person status, by birthright proclaim by Unalienable rights, Substantive Rights, and freehold an Allodial ownership of my body, my mind, my Soul, nationality, and culture, and I do not surrender to any Jurisdiction beyond that which the Most High God created. *Aliah K. Yah EL* ★

As the US District Court of the Southern District of Florida has refused to grant my case the seating of the Jury to adjudicate my grievances against state court of whom violated my right to an impartial jury, ~~and~~ an unbiased court, and a counsel whom intended to assist my case and not hinder it.

This case before you is a federal question of how an individual is denied rights by a public official that swore an Oath to uphold the Constitution.

The case before you is one of Diversity of Citizenship, as the Treaty of Peace & Friendship of 1836, 1787, and 1786 between Sultan of Morocco and United States of America gave life to this nation with stipulation that U.S.A. would aid a Moor in distress, and assist in the enforcement of Acts of State.

The Free Moorish Zodiac Constitution articles 4 & 6. ★
Reservation of Rights of the People. I affirm *Aliah K. Yah EL*

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Adrian K. Jah ELA
