28 USC 4101

Sec. 242 of Title 18

STATEMENT OF THE CASE

1. I was never informed about being charged. Felony Substantial Battery
2. I was never arrested.
3. I was never questioned or able to tell my side.
4. I was never informed about first court appearance.
5. I was not informed of the charge at the first court appearance.
6. I was not given the chance to plead guilty or not guilty.
7. There was no due process.

REASONS FOR GRANTING THE PETITION

First and foremost this case dragged on for two and a half years. It went from a Felony Substantial Battery to being lowered to a Misdemeanor Disorderly to being dropped. During this time once I was informed of the initial charge has substantially affected myself and my family. My reputation came into question. This never should have happened to an innocent man. There was no due process in this case. The rules of law were not followed. My rights were taken away. I would like accountability. This case changed my life.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Date: 9-25-23
