KEVIN CHANDLER, Petitioner,

No. 23-5792

~~PETITION FOR REHEARING ON DENIAL OF WRIT OF CERTIORARI~~

ORIGINAL

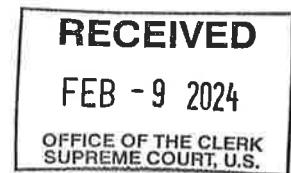

*SS*

Petitioner, Kevin Chandler, pro se, respectfully submits this petition for rehearing pursuant to Supreme Court Rule 44 regarding the Court's denial of the writ of certiorari in case number 23-5792.

#### STATEMENT OF GROUNDS FOR PETITION

Petitioner asserts the following substantial grounds for rehearing which have a controlling effect on the case and have not been previously presented:

1. **\*\*Newly Discovered Evidence:\*\*** Petitioner has recently obtained new evidence that directly impacts the basis of the claim and merits of the petition previously denied. This evidence was not discoverable through due diligence before the Court's decision.
2. **\*\*Relevant Legal Development:\*\*** Since the submission of the original writ and the Court's denial, there has been a significant change in the legal landscape through recent rulings that directly affect the legal basis of Petitioner's claim.
3. **\*\*Manifest Errors of Law:\*\*** Petitioner believes that the denial of the writ of certiorari was based on manifest errors of law that have a substantial bearing on the case and seeking a rehearing is both necessary and appropriate to prevent a miscarriage of justice.

# CERTIFICATE

I, Kevin Chandler, certify that the grounds for this petition for rehearing are limited to circumstances of substantial or controlling effect or to other substantial grounds not previously presented to the Court, in accordance with Supreme Court Rule 44. I further certify that this petition is not presented for purposes of delay and is filed in good faith.
