MOTION FOR FORMA PAUPERIS IN  
ORDER TO WAIVE COST OF COURT  
COSTS AND FEES

"REQUEST FOR ORAL ARGUMENT"

**MOTION FOR WAIVER OF PAYMENT OF COURT COSTS AND FEES**

Petitioner. Roberto Carlos Mendives, Sr., (Mr. Mendives), in Propria Persona, comes before this body Sui Juris, and on behalf of his four minor children, R.C.M. II, M.A.M., G.L.M., and E.F.M. ("minor children") to which the whereabouts is unknown to Petitioner since November of 201 due to fraud upon the court in Action No. 2015-CI-00877 of the Bexar County Court of the State of Texas and No.: 5:21-CV-00356-JKP-RBF of the United States District Court for the Western District of Texas; respectfully moves this honorable United States Supreme Court for the for an Order waiving of any payment of court costs in this action, and for reasons states:

1. The Petitioner filed a petitioning a Writ of Certiorari for Intervention on the Quit Tam Claim, and "Independent Action" for relief from theft of property in Action No. 2015-CI-00877 in the Bexar County Court of San Antonio in the State of Texas, to 1) remedy fraud on the court; 2)

<sup>1</sup> R.C.M. and M.A.M. have become adult above the age of eighteen [18] years old in the lapse of this case.

Systematic Discrimination; 3) Invidious Discrimination; 4) First Amendment Violations; 5) Fourteenth Amendment Violations; 5) Defraud the United States Government ("Complaint") in the District Court for April 1st of 2021; 6) stop perpetuating the massive fraud against Title IV-D welfare federal funding; and 7) Petitioner does not know the whereabouts of his four minor children who have been held hostage from him for over six years.

2. For the lapse of almost nine [9], the Petitioner has provided the Department of Justice (DOJ) and law enforcement agencies such as the Federal Bureau of Investigation (FBI) of the crimes committed by Angela Rose Wooten (Ms. Wooten), her attorney Judge Velia Judith Meza (Ms. Meza), and the Bexar County Court of San Antonio in the State of Texas in Action No. 2015-CI-00877.

3. Petitioner has been ignored his valid federal legal claims. This has been an independent action that in no way Petitioner is seeking to relitigate the claims in State Court.

4. In applying these principles here-in and to perpetuate the fraud by the state actors in this case, this court would found out that judgments and orders has not been rendered by the Texas Supreme Court. Nor have Defendants "finally resolved all the Federal Question in the Litigation" or else satisfied practical finality under *Cox. Federation, 410 F. 3d at 25; See Cox, 420 U.S. at 477-85*. Additionally, Petitioner has filed several motions for adjudication hearing which are pending since 2015, discovery is incomplete, no trial has been ever scheduled, there is no adjudication hearings on the record nor there will ever be an adjudication since there is absolutely no allegations that can withstand against the Petitioner; and, worse-even is the fact that the actions of the State Court were in the worst interest of the Children. Since Petitioner found both intrinsic and extrinsic fraud by defendants in the case, **the State's Court proceeding are far from "ended."** Exxon, 544 U.S. at 291; see, e.g., Federacion, 410 F. 3d at 24 & n. 10. So, Rooker-Feldman did not deprive the Western District Court of Jurisdiction, but due to the massive fraud the U.S. District Court for the Western District erred by avoiding action.

5. At issue, this case brings facts of systematic racially malicious and arbitrary treatments of Bexar County court in the state of Texas for the economic enslavements whence the state court forcedly self-ward Petitioner's minor children to the state of Texas in order to obtain Title IV-D Child Support funding from the federal government. The predicted outcome is violation of Due Process against Petitioner in American Law, [in the State case # 2015-CI-00877]. The Bexar County Court does not have jurisdiction to make [any] court order, judgments, decree to order the known as "Child Support Order(s)" and to economically enslave the Petitioner.

6. The Bexar County Court made unlawful and illegal incantations to insinuate that their actions have some legal sounds and/or that their court actions are legal, lawful and for the best interest of the children. See, Blessing v. Freestone, 520 U.S. 329 (1997), which indicate that such "in the best

interest of the Child[ren]" does not exist against a father who is fit to PERSONALLY care, raise and sire for his own children. In fact, the State Court has maliciously trespassed causing irreparable and material harm to Petitioner and his four minor children; thus, encouraged by mob's<sup>2</sup> rule/justice and public disorder.<sup>3</sup> Consequently, the Petitioner is homeless.

7. Furthermore, The U.S. Federal Court for the Western District of Texas has been erroneously quoting the Rooker-Feldman Doctrine. State(s) as well as Federal Court have Jurisdiction over suits brought pursuant to **42 U.S.C Section 1983**.

8. The Third Circuit Case No. 18-3373 - Surrender Malhan v. Secretary United States Department, et al in which it is explained that Rooker-Feldman Doctrine conflicts with the familiar maxim that Federal Court have a "**virtually unflagging**" duty to exercise jurisdiction conferred by Congress. *Colorado River Water Conservation Dist. v. United States*, 424 U.S. 800, 817 (1976). At the same time, federal district courts have jurisdiction over on-going cases such as Bexar County Case # 2015-CI-00877.

9. **Therefore, Third Circuit confirms limits of the Rooker-Feldman Doctrine; and, that it cannot be used as a defense by the U.S. District Court for the Western District of Texas to avoid actions.** Further, the Court Reasoning, however, has implication that go well beyond the particular facts of the case and may limit the use of the Rooker-Feldman Doctrine as a threshold defense in federal court litigation more "BROADLY" (yes, broadly), whether in bankruptcy cases or **OTHERWISE**. That [otherwise] means any case brought before a United States' court.

10. Moreover, the garnishment in place against Petitioner using unlawful and illegal Child Support Order in violation of 15 U.S.C. Section 1673 which is the Consumer Credit Act.

11. This matter comes to the United States Supreme Court due to the massive welfare fraud that been perpetuated in the State of Texas against Petitioner and those in similar situation(s). Further, "all courts" have the inherent power to all things reasonably necessary to ensure that "just" results are reached to the fullest extent possible.

12. Due to Defendant(s)' fraud on the court, Petitioner has been detrimentally, directly and indirectly damaged, **his property has been trespassed and theft away** under the pretenses of Title IV-D. Further, Petitioner's Constitutional rights to Due Process remains circumvented to date. Moreover, this Court has the power to put an end to the massive fraud and crimes committed by Defendant(s) as demanded and in compliance of Federal Rules of Procedure(s). *Warnock v. Pecos*

---

<sup>2</sup> **MOB.** An assemblage of many people, acting in a violent and disorderly manner, defying the law, and committing, or threatening to commit, depredations upon property or violence to persons. *Alexander v. State*, 40 Tex.Cr.R. 395, 50 S.W. 716; *Marshall v. Buffalo*, 50 App.Div. 149, 64 N.Y.S. 411; *Champaign County v. Church*, 62 Ohio St. 318, 57 N.E. 50, 48 L.R.A. 738.

<sup>3</sup> **DISORDER.** Turbulent or riotous behavior; immoral or indecent conduct. The breach of the public decorum and morality.

13. The Intention of this case is to decide who the Bad Actors are to stop the massive welfare fraud, and to what level does their involvement arise given the current Status of events; being a "Preponderance of the Evidence" or Beyond Reasonable Doubt. Owen v. City of Independence, 445 U.S. 622 (1980), was a case decided by the United States Supreme Court, in which the court held that municipality has no immunity from liability flowing from its constitutional violations and may not assert the good faith of its officers as a defense to such liability.

14. Petitioner is an indigent due to the massive welfare fraud on the court and is not able unable to pay the court costs associated with these proceedings. Please, See Attached - Affidavit of Indigency. Since for over the course of almost six years the Petitioner has been stolen an approximate of \$342,358.56 under the pretenses and massive fraud perpetrated by Defendants using Title IV-D to justify their criminal and massive fraud.

15. Clearly, justice should not be based on Petitioner's ability to pay or not the cost of a Petition that is proving beyond all reasonable doubts that for six [6] years the Petitioner has been placing the massive fraud within the view of the Department of Justice. It is understandable that Petitioner is not Shad White but this massive fraud in the State of Mississippi is now proven that the State of Texas is also practicing the same unlawful, illegal and unconstitutional violations.

16. This Title IV-D Welfare massive fraud and embezzlement is an epidemic affecting the lives of Americans and tax payers. **THE SAME** massive fraud has happened in the State of Mississippi in which "The Mississippi Office of State Auditor" special agents from the office of State Auditor Shad White have arrested John Davis, the former Director of the Mississippi Department of Human Services (DHS); former DHS employee Latimer Smith; Dr. Nancy New, owner and Director of the Mississippi Community Education Center (MCEC) and New Learning, Inc.; Zach New, Assistant Executive Director of MCEC; Anne McGrew, accountant for MCEC; and Brett DiBiase in connection with a multimillion-dollar embezzlement scheme. The indictments include a range of violations involving fraud and embezzlement. See, webpage for the Mississippi Office of the State Auditor Shad White, State Auditor.<sup>4</sup>

17. Petitioner is left with a monthly average of \$50.00 or less to spread throughout the month for food due to fraud on the court perpetrated by Defendant(s).

18. Therefore, the Petitioner is firstly malnourished neither able to eat the proper amount of food nor is able to properly take care of his health; Secondly, all garnished money is fraudulently taken away from Petitioner under the pretenses of Title IV-D; and thirdly, it is the reason why the

Petitioner is not able to pay for this Petition. Furthermore, the U.S. District Court for the Western District of Texas erred in its final judgment, thus, perpetuating this massive fraud and property trespass and violation of the United States Constitution.

19. Defendant(s)' together perpetuated a fraudulent campaign to designate Petitioner vexatious to prevent him from defending himself and thereafter causing damages to Petitioner financial and by reputation and denying him access and whereabouts of Petitioner' four minor children for five years and counting –rights protected by the U.S. Constitution and the “Federal Court System.”

WHEREFORE, Petitioner respectfully moves this honorable Court to:

- A. Waive payment of all costs associated with these proceedings; and
- B. Award such other and further relief as the nature of this cause may require.

A Memorandum in Support of this Motion is attached hereto and incorporated herewith.
