

AFFIDAVIT

I, FRANK RICHARDSON, do hereby certify under the penalty of perjury Pursuant to 28 U.S.C. 1746 that the following Affidavit is being submitted as a certificate stating that the instant WRIT (MOTION) FOR REHEARING under Rule 44.6 of SUPREME COURT Rules and all other applicable rules relating to same. And the QUESTIONS PRESENTED are based upon facts and law of controlling effect, constitutional rights and violations of same, as well as Supreme Court Precedence. Nothing within this Petition for REHEARING is being submitted for delay, but in good faith to insure that undersigned rights are upheld and this Court is aware of the lower Court(s) erroneous and unlawful ruling in this matter. And as such, I turn to this Court to hear matter and send back to the lower courts with instructions and guidance to remedy the clear violations and errors asserted herein, as well as to uphold the precedence that was violated by its very own Circuit, that of the precedence of this Honorable Court, and the constitutional violations that arose from findings in opposition of all aforementioned. As the integrity of the judicial system is being question from the rulings and the constitutional rights of petitioner has been trampled upon, and in this effort he ask this Court to preserve both and make a ruling based on the clear facts set forth herein.

A copy of the following documents are enclosed, a letter (3) pages dated 12-23-23 and to Mr. Scott Harris, alone with an Affidavit stamped received on 1-12-24, a second Affidavit

Stamped received on February 26, 2024 in support of petition for rehearing under SCR 44.6, and now that of instant Affidavit dated 3-10-24 is included with instant Petition for Rehearing. All corrections has been made to the best of my ability as a pro se litigant and that of precedence of this Court to construct such as presenting the strongest argument possible and the rules governing all proceedings. Please find all places of writ of Certiorari, has been replaced with Rehearing and now request that this Court accept and find same adequate in order to docket and grant the rehearing as requested.

I humbly ask this Court to hear this matter as it is a case of first impression, deals with one panel overruling that of Circuit precedence and is a clear violation of both the Fifth and Sixth Amendments of the United States Constitution. So if this Court were not to hear this claim of a constitutional magnitude and violation, a deprivation of my liberty and rights will be violated, both of which are core rights under the Constitution, leaving my only recourse to be the House Oversight Committee because no other legal avenue is either available or viable to remedy these clear and outright injustices.

The foregoing is being filed in response to the letters I received on both 1-29-24 and 2-29-24 from this Court directing me to bring the Petition in compliance with the Supreme Court Rules, specifically Rule 44.6 by titling Petition, Petition for Rehearing which I have

done as it relates to all relevant documents and attesting to in this Affidavit, as well as cover page and proof of service. I submit same as certificate that instant Petition for Rehearing is both in good faith, not for delay, deals with controlling effect and is in compliance to letter directing me to resubmit Petition with Rehearing as title to best of my ability as a pro se litigant.

Respectfully, Frank Richardson
