RE: USCA4 No. 22-7332, 23-1086
Andrews v. United States

Dear Mr. Andrews:

The petition was not timely received and the postmark on the envelope is not legible. The date of the lower court judgement or order denying a timely petition for rehearing was May 1, 2023. Therefore, the petition was originally due on or before July 30, 2023. On June 15, 2023, the Chief Justice extended the time to and including September 28, 2023. Rules 13.1, 29.2 and 30.1.

An otherwise untimely petition being filed by an inmate confined in an institution may not be docketed unless it was timely deposited in the institution's internal mail system and is accompanied by a notarized statement or declaration setting forth the date of deposit in the institution's internal mail system and stating that first class postage has been prepaid. Rule 29.2. The petition may not be filed until the required affidavit or declaration is received.
