(G) Concise statement of case setting the facts showing that the Federal Questions were timely and properly raised.

May 4, 2020 I filed a Racketeer Influenced and Corrupt Organization Act (18 USC Chapter 96) against 4 Florida state judges and naming F.P. Westlake as an aide and abettor

where the Honest Services Fraud Act (18 USC 1346) was the predicate act. That lawsuit was 2:20 CV 14128 JEM Document 5.

Miami US District Court Judge Martinez despite Maynard being named as an aide and abettor, as a defendant, ordered Maynard to write a Report and Recommendation on the RICO suit. Instead Maynard wrote a report

and recommendation on a Civil Rights Law Suit
 I had filed. 2:19cv 14274. This was a clear
 violation of the Honest Service Fraud Act, a Felony.
 Assistant Maine US Attorney Alexandra Topeny then filed
 a charge against me of sending a threat through
 the mail. This effectively covered up Maynard's
 Felony. The "Threat" sent through the mail
 was a video scene from a movie dated in
 1987 of my sequestering my Christianity away
 from again. That scene can be found on You
 Tube by putting in "Lawrence Austin Road
 to Glory". "Road to Glory" is an internet "Hostage"
 Under that link I wrote 2 complete sentences.
The First Complete sentence:
 "It is obvious from the totality of words in the song

and the title that I am threatening death and bodily harm to Magistrate Maynard." This

Complete sentence does not threaten anyone

RATHER it clearly states that the words of the song and its title "My Lord and I" are a threat. Obviously this is not true.

My intent was to advise the reader in to watch the video and listen to the song "My Lord and I" which was written by man and inspired by God.

The second complete sentence:

Also by holding onto the hand of the Preacher who is a man of Color I am threatening Maynard who is a woman of Color with death". Obviously holding onto the hand of the preacher is not a threat of death.

Again my intent was to get the reader to watch the video and listen to the song "My Dad and I" and to see that holding onto the preacher of Color was a reconciliation of the races.

July 27, 2023 the Supreme Court of the United

States ruled in ~~Case~~ 22-138 with three

opinion (Concurring) ~~Concurring~~ Page 11 Line one

dealt with language that directly relates to

my 2 complete sentences "Statements that

when taken in context do not convey a real

possibility that violence will follow."

The video was done in the Macedonian Baptist

Church in Miami in 1987. Magistrate Magness

Testified at trial November 15, 2021 that her father

who was a well known preacher in Ft Pierce
Florida was threatened by the preacher in the
video. There are two. Which one Reverend
Daniels or Reverend Hubbard? I had never heard
of Myrna's Father until the threat. If
you want to find out how the word blog
is being used in the song "My Lord and I"
you would have to interview the author,
I did not write the song. Putting me in
Prison for posting on the internet my
video that is on YouTube "Lawrence Curtis
Road to blog" is a violation of my First
Amendment Right to Freedom of Religion.
Prosecutor Japoy "The threat began with the
internet posting of the video" Case CR20102 WFK

Document 208 page 4 Line 3, also Lopez

"That the video was a threat to Maynard's father." Same page below Line 3.

The Jury watched the video twice and was given the words to the song "My Ford and I" see exhibit 3

at trial US Marshal Wiltowski testified that the video was not shown to the Grand

Jury, see pages 46, 47, 48 of her testimony.

I have asked my public defender in 3 emails

to send me these pages. She refuses to send them

By not showing the video to the Grand Jury ^{Lopez} ~~she~~ turned my

two complete sentences into nonsense, Prosecutor
 Joppy has stated that the video was part
 of the crime. This is a ⁽³⁾ fifth amended version

 of alleged crime must be dismissed"

signed as Case Manager and US Marshal

Wilkinson signed, a case agent neither cited

the video as part of the crime. This is

a ⁽³⁾ sixth amended version that the defendant

is informed of the nature and cause of the

Charge against them see Fern 155 3 d at 1325.

over 3 years in prison for writing 2 complete

I have written 20 Books more than Ernest Hemingway
and I have over 50 patents awarded to me world wide
more than Albert Einstein. Also I presented
the assassination of Senior US Judge James
Fairman King, and I am mental ill?

Prosecutor Joppy at sentencing took quotes of mine
from sentence I wrote that were in letters I wrote.
She did not provide the letter when she read
the quotes at sentencing. Neither the quotes
nor the letters were provided to the jury.

The 11th Circuit Court of Appeals upheld the
conviction. NO where in their ruling do
they address the issue of Freedom of Religion,

5th Amendment Right to have the Grand Jury watch

the video or 6th Amendment Right to inform me

of the nature and charges against me in the charging document.

I had previously filed an application to individual Justice Clarence Thomas. This was returned by the Clerk in a October 20, 2022 letter to me (see exhibit 1). In that letter he implies that Rule 22 concerns stay, injunction and certificate of appealability. I can not see where Rule 22 Concern these. However he implies that a writ of Certiorari is the way to ~~go~~^{go}. That has cause me to send in my petitions. This is written with all due respect to the Clerk.

Finally Please excuse my writing. Squamous Cancer was cut out of my hand and when that was done

In prison they cut out the nerve in my right hand making the use of my right hand difficult and painful
