## **CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED**

## STATEMENT OF THE CASE

**11/20/2023**

Shawna Karnes & Jeffery Glaser VS Tiffany Montengo/ child protective services.

We are not attorneys and come in pro per so please give us wide birth.

Sixth Circuit did not dismiss on merit they dismissed on the Rooker - Feldman doctrine. By our understanding that's just how the Sixth circuit gets around interfering with the lower courts' decision, however it's if we can prove fraud, negligence, or deceit that the United States Supreme Court can overrule the lower state courts.

**Below are the documents to prove fraud, negligence and deceit by the trial Court in Cass County Michigan.**

### Exhibit 1

**Chevron & Statement of facts**

### Exhibit 2

**The court has violated my due process and committed fraud, negligence and deceit by giving me the court's husband as an attorney when the court took our daughter on August 18th 2020.**

### Exhibit 3

**Court order why children entered into care, contact with the case worker and Makenna saying she lied about everything. The court did not take into consideration that Makenna said he lied about everything.**

### Exhibit 4

**James Henry committed fraud, negligence and deceit by practicing as a doctor with no license to do so**

### Michigan Department of licensing

**The State board of registered psychotherapists state of Colorado**

**Board of Social work disciplinary subcommittee administrative complaint**

**Board of social work disciplinary subcommittee consent order**

**The Michigan state attorney general brought James Henry up on negligence and a technical violation of the Michigan PHC because Mr Henry never had a license. James Henry testified in the beginning of the court case which tainted the entire case. The courts knowingly allowed this to happen even though he wasn't licensed to do so.**

## STATEMENT OF THE CASE

### Exhibit 5

Aversys drug testing report  
Aversys false drug report  
Text from foster care worker

On July 3rd 2021 Tina Johnson committed fraud, negligence and deceit and abuse of power to the Court. Below is how Tina committed these things I took my drug test that day however Tina decided to fill out a false drug screen and then Tina had a drunken ramble for an excuse.

### Exhibit 6

State of Michigan in the family court for the county of Cass withdraw termination petition dated July 31st 2023 by the Honorable Carol M Bealor

However on October 6th 2023 Attorney Mccree our daughters attorney argued with the judge that she has no discretion to send bella home if the judge goes with a guardian and the Judge said policy does not trump law so she was reinstating the termination petition as of October 6th 2023

Please understand that this foster case has been unfairly going on for over 3 years. We desperately need your help in resolving this matter. Our daughter needs this case over so she can have peace again.

We are also asking for a federal attorney to help us in this very important matter.

Thank you for your time  
Shawna Karnes, Jeffery Glaser

### **REASONS FOR GRANTING THE PETITION**

The Sixth Circuit Court of Appeals decided that a fraud exception exists to the Rooker- Feldman Doctrine, but does not uniformly consider or apply this important issue of federal law that should be settled by the Supreme Court.

## CONCLUSION

The petition for a writ of certiorari should be granted.
