QUESTION(S) PRESENTED

To the Opposing Parties, the Plaintiff is clearly asking the true meaning of deliberate indifference because through all of the proceedings I'm being ignored. Serious medical needs has be shown where is the Justice?

Is it a 8th amend Violation on Dr. Ulrich behalf to Prescribe an eye drop to cause more harm on an already glaucoma eye?

by the medical directors knowing my serious medical needs and not sending me to the proper medical provider is that a 8th amend Violation?
