RE: In Re Colby Jerome Hale-El

Dear Mr. Hale:

The above-entitled petition for an extraordinary writ of mandamus/prohibition was received on October 12, 2023. The papers are returned for the following reason(s):

The petition does not show how the writ will be in aid of the Court's appellate jurisdiction, what exceptional circumstances warrant the exercise of the Court's discretionary powers, and why adequate relief cannot be obtained in any other form or from any other court. Rule 20.1.

No motion for leave to proceed in forma pauperis, signed by the petitioner or by counsel, is attached. Rules 33.2(a) and 39.

No notarized affidavit or declaration of indigency is attached. Rule 39. You may use the enclosed form.

No affidavit or declaration of service, specifying the names and addresses of those served, was received. Rule 29.5

The petition does not follow the form prescribed by Rule 14 as required by Rule 20.2.

A copy of the corrected petition must be served on opposing counsel.

Sincerely,  
Scott S. Harris, Clerk
