

Petition for Rehearing
The Supreme Court of The United States
1 FIRST ST NE, WASHINGTON, DC 20543

Case # 23-6234 Harland Robinson vs. Compass Group USA, INC

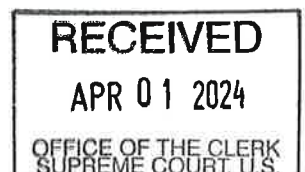

In the letters sent I'm asking for a petition for rehearing from the supreme court I'm asking the court to look over all documents FMLA documents and emails I enclosed in the letter from my emails sent to and from Mr. Brian Adams Former director at Compass Group INC, USA it plainly show he knows about Harland Robinson being on Federal medical Leave Act, and the emails shows I ask for further outcome of what lead to termination including the disciplinary actions that where brought forth and the outcome of their decision of proof that lead to believe such allegations, nothing was brought forth as you can see I did ask there defense counsel attorney for proof of that , as brought out in the emails she clearly states she would not be providing any extra documents regarding the outcome of the disciplinary that lead me to get fired.
