12. Provide any other information that will help explain why you cannot pay the costs of this case. As specified in the original and updated Federal Complaints and provided to the 2nd Circuit Court of Appeals, the Defendants caused the loss of income via their crimes of theft and dissemination. The Defendants used illegal means to surveil the Plaintiff, then used that information to steal and disseminate C corp assets. These C corp assets included intellectual property and patents that the Plaintiff was actively developing for the C corp. After the crimes, the Plaintiff could not raise additional money without disclosing these assets were stolen and disseminated to unknown third parties. Since then the Plaintiff has not been able to raise capital. The Plaintiff has been homeless and incomeless due to crimes of Defendants! I declare under penalty of perjury that the foregoing is true and correct.
