In Propria Persona Petitioner

February 20, 2024

**REHEARING REQUESTED AS PER
NEWLY DISCOVERED INTERVENING
CIRCUMSTANCES.**

This Petition of Rehearing is strictly limited to substantial grounds not previously presented and to the newly discovered intervening circumstances.

The Honorable Court is currently reviewing Federal Arbitration Act and how it applies to employees and class of workers in interstate transportation in the case of, Neal Bissonnette, et al., v. LePage Bakeries Park St., LLC, et al. **No. 23-51**. This Court granted the Writ of Certiorari to review this issue on *September 29, 2023*.

Similarly, the Petitioner's presented issues in case **No. 23-6337** deals with the Federal Arbitration Act and how it applies to employees. Both of these cases hail from U.S. Court of Appeals for the Second Circuit.

Hence, in light of this, '*newly discovered intervening circumstances*' as per U.S. Supreme Court Rule 44.2 Rehearing, it is

requested that the Court reassesses the case **No. 23-6337**, in light of the case, **No. 23-51**, which this honorable court is actively deciding.

This rehearing petition is presented together with certification of the pro se litigant that it is restricted to the grounds specified in the U.S. Supreme Court Rule 44: Rehearing, and that it is presented in good faith and not for delay. The copy of the certificate bears the signature of the unrepresented party by counsel. For these compelling reasons, this Court should grant the petition for certiorari, as all presented questions bear immense significance for our beloved country.

Respectfully Submitted,

Mahfooz Ahmad
