Re: Opposition to second extension of time
Case Name: Harold Jean-Baptiste, Petitioner v. Westside Donut Huntington
Ventures LLC
Supreme Court. No.: 23-659

Dear Mr. Harris:

The petitioner respectfully requests the Clerk of the Supreme Court to oppose the second request for time extension for petition for a writ of certiorari on December 15, 2023. Pursuant to Rule 30.2 the respondent has not demonstrated "extraordinary circumstances" to warrant a second extension of time. The Petitioner respectfully requests the Clerk of the Supreme Court to deny the second request for extension of time, pursuant to rule 30.4. The Supreme Court has one set of rules for everyone before it, and the respondent can't ignore the rules twice, by failing to request of time extension on timely fashion according to the rules that govern the Supreme Court, therefore the request for time extension should not be taking in good faith.

Sincerely,

Harold Jean-Baptiste
