

4. The opinion of the United States district court from the U.S. Court of Appeals dated April 24, 2023. The one page opinion was included as Appendix #6. However, attached to this opinion, there was an order of judgement attached. The full four-page document is now included. The opinion itself is only one page.

The clerk's letter provided 60 days from its letter (12-4-2024) with which to respond, making the due date for these corrections 2-4-2024. Thank you for the opportunity to be heard. Please do not hesitate to contact me should there be any further questions.
