CASE NO. 23-6708

RE: GEORGIOS V. VLOUTIS

V. DEUTSCHE LUFTHANSA AKTIENGESELLSCHAFT

PETITION OF REHEARING OF AN ORDER DENYING A PETITION OF THE WRIT OF CERTIORARY

1.The grounds are: That this court rule aids and abets terrorism in the USA by creating complexities that the average USA Citizen does not understand and ,therefore, may become confused and the average USA Citizen not be able to desccribe correctly to this court. Therefore, this rule is UNCONSTITUTIONAL as this rule is unnecessarily confusing and enables Terrorism to win against USA victims of Terrorism in U.S.Courts. 2. Other substantial grounds are that what happened to me can happen to anyone AT ANY AIRPORT OR ANY AIRPLANE ON THE ground or on the air because America is under TERRORISM ATTACT. By letting LUFTHANSA AIRLINES GET AWAY WITH THIS ,WE ALL AIDING AND ABETING TERRORISM. AS an example My friend's nephew US ARMY PFC kristian Menchaca was tortured and murdered in Iraq by 3 terrorist and the same terrorist group (ICIS)using Lufthansa airlines transported to the state of Texas and to the USA and now they are after us and his family and nothing has been done for protection by the goverment or the US COURTS (see exhibit C.) 3. I CERTIFY THAT THIS PETITION FOR REHEARING IS PRESENTED IN GOOD FAITH AND NOT FOR DELAY.
