Re: *Stephanie Norman v. H. Lee Moffitt Cancer Center & Research
Institute, Inc.*
No. 23-6781

Dear Mr. Harris:

Pursuant to Supreme Court Rules 15.3 and 30.4, we respectfully request on behalf of Respondent H. Lee Moffitt Cancer Center & Research Institute, Inc., a 30-day extension of time to respond to the Petition for Writ of Certiorari in the above-captioned matter.

The case was filed on May 17, 2023. Petitioner received an extension of time to June 22, 2023 in which to file a Petition for Writ of Certiorari ("Petition"), and subsequently Petitioner filed a Motion for Leave to File a Petition for Writ of Certiorari with the Supplemental Appendix under Seal ("Motion"). Plaintiff's Motion was granted, and the Petition was placed on the docket on February 20, 2024. Respondent's brief in opposition to the Petition has since been docketed by the Court as due on March 21, 2024. If this request for extension is granted, Respondent's response would be due on April 22, 2024. Respondent has not previously obtained or requested an extension of time.

This request for an extension of time is made to ensure the Respondent has an adequate opportunity to address and respond to the arguments made in the Petition. The request is also made in light of scheduling conflicts and the press of other matters for Respondent and its counsel.

Please let me know if you need any further information. Thank you for your time and assistance.

Respectfully,

JACKSON LEWIS P.C.
