The government's motion for summary disposition of this appeal is allowed as follows. No. 18-2112, 10/1/19 Judgment at 2--the Second Amended Judgment is affirmed. All other pending motions are denied as moot.

ORDER OF COURT

Entered: November 15, 2023

The petition for rehearing is denied by the panel of judges who decided the case, as the petition fails to satisfy the standards for rehearing. See Fed. R. App. P. 35(b)(1).

As it appears that there may be no quorum of circuit judges in regular active service who are not recused who may vote on petitioner's request for rehearing en banc, the request for rehearing en banc is also denied. See 28 U.S.C. § 46(d); 1st Cir. Loc. R. 35.0(a)(1). In any event, a majority of judges in regular active service do not favor en banc review.
