SECTION "J" (1)

**AFFIDAVIT**

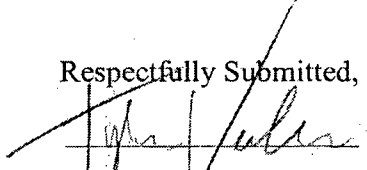

Now unto the Court comes eye **Witness** Tyler James Verdin of 136 Foolkes Court, Houma, Louisiana 70363. I Tyler Verdin states that on February 22, 2020 **Plaintiff** Willie Levens entered my restaurant after Branden Verret came in shouted who the fuck wants to fight Trey. I ordered Branden Verret to get the Fuck out of my restaurant. After Branden Verret to get out of my restaurant, I went back to folding shirts. A couple seconds later **Plaintiff** Willie Levens II entered the restaurant excited at the chance for promotion of the restaurant. **Plaintiff** Willie Levens told me that the owner of the catering job wanted to invite him to ride in the Mardi Gras parade. **Me** and **Plaintiff** Willie Levens walked backwards towards the door with his arm around my shoulder while laughing because he was trying to get me to the party bus to ride and promote my business. As we made it to the front door, we both stumbled over the high chairs placed near the door. Upon us stumbling **Defendant** Dexter Gaspard had left his booth rushed up to and aggressively pushed **Plaintiff** Willie Levens through the closed door and to the ground as shown in the video. At no time did **Plaintiff** Willie Levens pose a threat to anyone inside the restaurant. There was only a man, woman, and a child present other than **Defendant** Dexter Gaspard. After **Defendant** Dexter Gaspard aggressively pushed **Plaintiff** Willie Levens out of the door and me and **Defendant** Dexter Gaspard went back inside. I then returned outside and told **Plaintiff** Willie Levens to go to my vehicle parked on the side of the restaurant. After telling **Plaintiff** to go to my vehicle I heard a lot of commotion coming from outside from where my car was parked. When I went outside. I saw **Defendant** Dexter Gaspard throw **Plaintiff** Willie Levens against my sisters parked car with his elbow on his neck and heard him tell **Plaintiff** Willie Levens now you are going to jail NIGGER. That is when **Defendant** Dexter Gaspard called for more backup. I then helped free **Plaintiff** from Defendants choke hold. I told **Defendant** that I had everything under control but he had already caused a scene and authorities had already

showed up. Officers me to on the scene tried to get me to make a false statement while I had **Plaintiff** in my car in order to try and arrest him. I told them no and I took **Plaintiff** away and came back to close my restaurant. The next day I took the **Plaintiff** to the hospital and he found out his knee was fractured.
