POINT III

**DEFENDANT WAS ENTITLED TO A TWELVE PERSON JURY
UNDER THE SIXTH AND FOURTEENTH AMENDMENT AND
DID NOT WAIVE THAT RIGHT.**

Standard of Review

The standard of review of constitutional claims is *de novo*. See, A.B. v. Florida Dept. of Children & Family Services, 901 So. 2d 324, 326 (Fla. 3d DCA 2005).

Argument

Defendant had the constitutional right to a jury trial because his offense was punishable by more than 6 months in jail. Baldwin v. New York, 399 U.S. 66, 72-73 (1970). Nevertheless, he was convicted by a jury comprised of only 6 persons. The Sixth and Fourteenth Amendments guarantee the right to a twelve-person jury when the defendant is charged with an offense punishable by more than 6 months incarceration. A.B. v. Florida Dept. of Children & Family Services, supra.

Defendant can raise this issue for the first time on appeal because the issue isn't whether he preserved this issue by objecting in the trial court; rather, the issue is whether he personally waived his constitutional right to a twelve-person jury. He did not. For example, even if defense counsel had no

objection to a five-person jury, but the trial court did not secure the defendant's personal waiver of his or her right to a six-person jury, the case would present reversible error on appeal. Wallace v. State, 722 So. 2d 913, 914 (Fla. 2d DCA 1998); Gamble v. State, 696 So. 2d 420, 420 (Fla. 5th DCA 1997); Blair v. State, 698 So. 2d 1210, 1217-18 (Fla. 1997); see also, Johnson v. State, 994 So. 2d 960, 963-64 (Fla. 2008) (holding that defendant must personally waive constitutional right to have jury decide prior-convictions element in felony DUI case; defense counsel's stipulation that trial court act as fact finder is insufficient).

In short, a defendant personally must agree to be tried by a jury with fewer jurors than constitutionally required. Defendant acknowledges this Honorable Court came to a different conclusion in Albritton v. State, 48 Fla. L. Weekly D922 (Fla. 4th DCA opinion filed May 3, 2023). However, this Honorable Court may have overlooked the holdings in the Wallace, Gamble, Blair, and Johnson cases.

The U.S. Supreme Court held in Williams v. Florida, 399 U.S. 78, 86 (1970), that juries as small as six were constitutionally permissible. But Williams is impossible to square with the Court's ruling in Ramos v. Louisiana, 140 S. Ct. 1390 (2020), which concluded that the Sixth Amendment's "trial by

an impartial jury" requirement encompasses what the term "meant at the Sixth Amendment's adoption," *id.* at 1395. "Defendant enjoys a constitutional right to demand that his liberty should not be taken from him except by the joint action of the court and the unanimous verdict of a jury of twelve persons." *Id.* at 1396-9. Defendant's conviction by a six-person jury violated the Sixth and Fourteenth Amendments to the United States Constitution.

Defendant acknowledges that this Court rejected this argument in Guzman v. State, 350 So. 3d 72 (Fla. 4th DCA 2022). This will provide defendant an avenue for supreme court review under Jollie v. State, 405 So. 2d 418 (Fla. 1981), and will avoid the randomness of the review process. See id. at 421 (recognizing that "no litigant can guide the district court's selection of the lead case" and the citation PCA can avoid the randomness of the review process).

In rejecting Guzman's argument, this Court cited State v. Khorrami, 1 CA-CR 20-0088, 2021 WL 3197499 (Ariz. Ct. App. July 29, 2021). Guzman, 350 So. 3d at 73. At the time of this Court's decision, Khorrami's petition for writ of certiorari in the United States Supreme Court was pending. The petition was subsequently denied, over dissents by Justices Kavanaugh and Gorsuch. Khorrami v. Arizona, 21-1553, 2022 WL 16726030 (U.S. Nov. 7, 2022).

Although there is no legal significance to the denial of a petition for writ of certiorari,¹ there are differences between Florida's and Arizona's systems that may account for the denial of the writ.

In Arizona, criminal defendants are guaranteed "a twelve-person jury in cases when the sentence authorized by law is death or imprisonment for thirty years or more.... Otherwise, a criminal defendant may be tried with an eight-person jury." State v. Khorrami, 2021 WL 3197499, at *8 (citations omitted). Florida juries are smaller (six versus eight), and those smaller juries are mandated in every case except capital cases.

And the origin of Florida's rule is disturbing. In his dissent, Justice Gorsuch observed: "During the Jim Crow era, some States restricted the size of juries and abandoned the demand for a unanimous verdict as part of a deliberate and systematic effort to suppress minority voices in public affairs." Khorrami v. Arizona, 2022 WL 16726030, at *5 (Gorsuch, J., dissenting) (citations omitted). He noted, however, that Arizona's law was likely motivated by costs not race. *Id.* But Florida's jury of six did arise in that Jim Crow era

¹ See *Ramos v. Louisiana*, 140 S.Ct. 1390 (2020) at n.56 ("The significance of a denial of a petition for certiorari ought no longer require discussion. This Court has said again and again and again that such a denial has no legal significance whatever bearing on the merits of the claim.") (cleaned up).

context of a “deliberate and systematic effort to suppress minority voices in public affairs.” *Id.* The historical background is as follows:

In 1875, the Jury Clause of the 1868 constitution was amended to provide that the number of jurors “for the trial of causes in any court may be fixed by law.” See, Florida Fertilizer & Mfg. Co. v. Boswell, 34 So. 241, 241 (Fla. 1903).

The common law rule of a jury of twelve was still kept in Florida while federal troops remained in the state. There was no provision for a jury of less than twelve until the Legislature enacted a provision specifying a jury of six in Chapter 3010, section 6. See Gibson v. State, 16 Fla. 291, 297–98 (1877); Florida Fertilizer, 34 So. at 241.

The Legislature enacted chapter 3010 with the jury-of-six provision on February 17, 1877. Gibson, 16 Fla. 294. This was less than a month after the last federal troops were withdrawn from Florida in January 1877. See Jerrell H. Shofner, Reconstruction and Renewal, 1865-1877, in The History of Florida 273 (Michael Gannon, ed., first paperback edition 2018) (“there were [no federal troops” in Florida after 23 January 1877”].

The jury-of-six thus first saw light at the birth of the Jim Crow era as former Confederates regained power in southern states and state prosecutors

made a concerted effort to prevent blacks from serving on jurors.

On its face the 1868 constitution extended the franchise to black men. But the historical context shows that it was part of the overall resistance to Reconstruction efforts to protect the rights of black citizens. The constitution was the product of a remarkable series of events including a coup in which leaders of the white southern (or native) faction took possession of the assembly hall in the middle of the night, excluding Radical Republican delegates from the proceedings. See Richard L. Hume, Membership of the Florida Constitutional Convention of 1868: A Case Study of Republican Factionalism in the Reconstruction South, 51 Fla. Hist. Q. 1, 5-6 (1972); Shofner at 266. A reconciliation was effected as the “outside” whites “united with the majority of the body’s native whites to frame a constitution designed to continue white dominance.” Hume at 15.

The purpose of the resulting constitution was spelled out by Harrison Reed, a leader of the prevailing faction and the first governor elected under the 1868 constitution, who wrote to Senator Yulee that the new constitution was constructed to bar blacks from legislative office: “Under our Constitution the Judiciary & State officers will be appointed & the apportionment will prevent a negro legislature.” Hume, 15-16. See also Shofner 266.

Smaller juries and non-unanimous verdicts were part of a Jim Crow era effort “to suppress minority voices in public affairs.” Khorrami v. Arizona, 2022 WL 16726030, at *5 (Gorsuch, J., dissenting); see also Ramos, 140 S. Ct. at 1417 (Kavanaugh, J., concurring) (non-unanimity was enacted “as one pillar of a comprehensive and brutal program of racist Jim Crow measures against African-Americans, especially in voting and jury service.”). The history of Florida’s jury of six arises from the same historical context.
