

PALANI KARUPAIYAN; V State of New York et al	In the United State Supreme Court Docket # 23-700
--	---

Petitioner's Motion to withdraw the petition for Writ of Certiorari

- 1) Petitioner filed Above captioned petition for writ of Certiorari before judgment entered in the USCA2.
- 2) After Petitioner filed this petition with this Court, USCA2, ordered the petitioner to file hard copy of his petition with USCA2 to decide.
- 3) Before this Court to decide this Petition for writ of Certiorari, USCA2 may enter the Judgment so this Writ of certiorari is not needed.
- 4) No respondents appeared in USCA2 or this Court yet. So no Party(s) should be prejudiced by this motion to withdraw the Petition for writ of certiorari.
- 5) By Jan 2024, petitioner planned filed 4 to 5 petition together with this court. District Court did not issue appealable order for 3 other civil dispute cases. So petition is not able to file all his petition with this Court together.
- 6) This Petitioner will file another petition for writ of certiorari with this court after USCA2 enter the final order which should save this Court time.

For any and all above reason, petitioner prays this Court for his request for withdraw the Petition for writ of certiorari docketed 23-700 (Palani Karuopaiyan v. State of New York) to be granted.

Respectfully submitted
