STATEMENT OF THE CASE

This is a "life endangerment" civil suit file against T.O.C.D. Rank supervisors and head officials a conspiracy to commit murder by T.O.C.D. officials. The attorney General has a full report and statement why T.O.C.D. Rank Black supervisors were trying to kill me, they got caught on audio by the safe prison officer miss Carol at the C.T. Terrell unit July 2021, I trusted information T.O.C.D. officials have been trying to kill me or have me killed by the inmates by tagging me as a "snitch". I'm a indigent inmate locked up behind a door. The only thing I can give the U.S. District Court is my word, so I gave the U.S. court 3-witness, that work for T.O.C.D., the star witness is the evidence she was protecting me and caught them on audio, I ask the U.S. District Court for Eastern District, for a court order allow me a hearing and a "fair chance" to prove my case, subpoena the star witness miss Carol put the witness under oath and make them come forward. The evidence, audio, testimony, paper work, the O.P.I.'s and transports will prove my case, the O.I.G., F.B.I., attorney General, U.S. attorney in Dallas, U.S. Postal Service O.I.G., Every body knows why T.O.C.D. officials trying to kill me, the U.S. court of appeals, and the U.S. Eastern District are retaliating because I express my free speech.
