PETITION FOR REHEARING

Petitioner Deborah A. Redman respectfully petitions for rehearing of her case given this Court's 28 May 2024 Order denying her Petition for a Writ of Certiorari.

This Court should rehear the matter and grant Petitioner Redman's Petition for Writ of Certiorari because the actions of the lower courts are so egregious that Redman has submitted a complaint of ethical violations to authorities. By not rehearing the matter and granting the Petition, this Court acts in complicity with the lower courts.

Petitioner would like to incorporate her first Petition for Rehearing here, but is unable to due to time and health constraints.

WHEREFORE, both the Petition for Rehearing and the Petition for a Writ of Certiorari should be granted.

Respectfully submitted,

Deborah A. Redman
