None of them helped me.

## STATEMENT OF THE CASE

I gave my mental health information to my teacher, Mrs. Marandino, in January 2017. My teacher, Mrs. Marandino, shared my information with Ms. Griffith, without my permission at the Adult Education Center, in the Great Falls College Montana State University School building.

The above staff shared my information with the staff of Great Falls College Montana State University School, including Ms. Chelsea, (She was an employee for the Great Falls College Montana State University School in 2019, and she also was an employee for the Great Falls Public Library in 2019.) Ms. Chelsea shared my information with the staff (Ms. Susie McIntyre and Ms. Rae McFadden) of the Great Falls Public Library. Ms. Susie McIntyre shared my information with all of the staff of the Great Falls Public Library, without my permission in 2019.

The staff of the Great Falls Public Library intimidated, harassed, humiliated and discriminated against me because of my mental disability.

I asked the Montana Eighth Judicial District Court, Cascade County/ the Montana Supreme Court for accommodation for an attorney, advocater, interpreter to represent my case, and these courts didn't accommodate me.
