☐ Yes   ☒ No

If yes, how much?

If yes, state the person's name, address, and telephone number:

12. Provide any other information that will help explain why you cannot pay the costs of this case.

Emotionally, I feel sick that I have to pay to seek justice from Supreme court while the lower courts erred in granting NY state Attorney General's summary judgment which was full of triable facts. The AG intentionally used incorrect and incomplete record to support her claims. I was not supposed to be on the eligible list of grade 14 position per constructive evidence. The fabricated evaluations were served as excuses to get me terminated and cover up the violation of Rule of Three and the other prohibited personnel practices due to discrimination in the previous hiring of the grade 18 position.

Meanwhile financially, I am also expecting a vet bill of \$1500 when I come back from China.

I declare under penalty of perjury that the foregoing is true and correct.
