## **MOTION FOR RECONSIDERATION OF THE ORDER DENYING LEAVE TO PROCEED IN FORMA PAUPERIS AND DISMISSING THE PETITION**

Petitioner William Kaetz moves for reconsideration of the order denying leave to proceed in forma pauperis and dismissing the petition because of the following reasons in affidavit form:

1. Petitioner William Kaetz filed his original petition on time.
2. On June 10, 2024, this court claimed petitioner repeatedly abused this courts process however there is no evidence of such abuse.
3. A freedom of information act request or discovery for the evidence of petitioner's abuse will be made because petitioner believes his use of the court system is not abuse.
4. Petitioner William Kaetz implements the 1<sup>st</sup> Amendment's petition clause and the due process of law a lot the best way he can to right a wrong, its use is not abuse.
5. The petitioner was in jail for 18 months, lost a lot, is poor, and just trying to prove his innocence and trying to rebuild his life from scratch at 60 years old.
6. The petition is for a habeas corpus case, relating to a criminal case. This is a quasi-criminal collateral attack on a criminal judgment and sentence.
7. Petitioner William Kaetz acted as fast as he could to correct any issues, 40 copies filed, \$300 fee paid, 3 copies served to the respondent.
8. Money used to produce 40 copies and filing fees is on loan.
9. Petitioner William Kaetz's work is sporadic. See work schedule attached hereto.

10. For all the above reasons Petitioner William Kaetz asks this court to reconsider the order denying leave to proceed in forma pauperis and dismissing the petition, reopen the petition and accept the 40 copies of the petition and the filing fee.

**I. CERTIFICATION**

I, William F. Kaetz, *petitioner*, swear under penalty of perjury all statements herein are true.

Respectfully submitted.
