## CONSTITUTIONAL AND STATUTORY PROVISIONS INVOLVED

The Constitution of The United States grants due process as that was all afforder to Petittitioner Barnes once the deception was revealed by way of his mothers confession before she passed. At the masonic level there is an infusion with know gangs in The United States which raise the statues of organized crime being that ashtians life was taken for financial gain. Petittitioner Barnes was stagged by Eyvonne Tolbert and Ashtian was stagged by his weekend video shoot( Pour Up A Four) I assure this court that you will find ties to RAP-ALOT RECORDS owned by James Prince who has ties to "arryl St. Julien. MURKER as well as ORGANIZE CRIME will be revealed by the granting of this motion.I ask this court as a father,"may I allow my son to have justice so that he can rest in peace?" This was planted in 1991 as well as the gang mentality in a little country town called edna Texas where petittitioner was born. This MURKER was cultivated by way of elected officials and the seats they occupied. The same group which consists of Pattie Mildred Edwards/Stafford and more Praire View A and M University Alumni from Edna as well as people from there. This constitutes organized crime.The arguing of this litigation is participating in the actual crime which gives the conspiritors a shield. This was planned from the inside out depending on the financial forecast of The County Of Harris due to the same exact road Ashtian was MURKED on( Sam Houston Tollway).

## STATEMENT OF THE CASE

I, Tommy Barnes, oppose the entire litigation of this case. I have been kept off the record thus allowing a conspiracy to proceed. The conspiracy is parallel to the development of the exact same road that Ashtian was murdered on. The conspiracy is fraternally insured by way of Praire View A and M University Alumni and collegiate fraternities. These fraternities were cultivated as well as the gang members since 1991 to make the stage for the scheme that cost Ashtian his life and me my freedom. There are masonic liaisons as well as elected officials involved. The exact same ones that contribute to the navigation of this case. I oppose the date the "istrict opined on their order due to the fact that I sent my pre trial order in at the last moment for just that cause. Trial was on the docket to start the Fourth of October that same year. August 23 was opine date. Connecting Jackson County and Pattie Mildred Edwards/Stafford and the above said together you will see the conspiracy. Petittioner meet Adam Fomby at a podium outside the elevator. That floor had a conference room where the contract was signed. That is the same practice known as Jugging and Stuff playing unknown con game. "arryl St. Julien is a con player. Petittioner family has alot to do with politics in Texas and was a part of the Texas "epartment Of Corrections Board in late 80's. This plan was constructed in prison by Henry Jr. Tolbert and Irvin "ean. See pretrial order. Roberto Felix knew Ashtian was comming that way way before the call came in over toll violations. The car was rented from a paint and body shop which raises attention. Ashtians grandmothers grew up with the Greens' who are very politically invovved in Texas."ave Green head of Internal Revenue Service is petittioners cousin. Petittioner was told of the exact same format this case is going in 1991 by "arryl St. Julien which leaves petittioner no doubt that this was planned. See brief in Fifth circuit in including exhibits 1-18. To argue any of the litigation would beinjustice.

## REASONS FOR GRANTING THE PETITION

1. To protect The Constitution Of The United States Of America.
2. To dismantle a procedure of TYRANNY and its conspirators.
3. To respect the motto, "PROTECT AND SERVE."
4. To give Ashtians father a chance to ask Adam Fomby before the courts, " why you never helped me when informed about my false arrest and gang intimidation?"
5. Why is he using the exact same format that "Larry St. Julien told petitioner in 1991 down to the same address on Alabama street?
6. Why Texas Civil Rights Project never responded when asked the same about false arrest where petitioner stayed in Harris County Jail for three months on trumped up charges that are not known to this day?
7. To expose a group that has the ability to take this terrorism all over the United States by way of same fraternal organizations: gangs, masonic, and collegiate all as one creating a deception that gets argued in our justice system.
8. To protect innocent lives.  
To expose Ashtians own family who is involved.
10. To expose Ken Paxton and the three men that supported him in his impeachment rally: Andy Louderbach, T. Michael OConnor, and Clinton Woolridge.  
11. Because it is the right thing to do.
12. To identify a loophole in the justice system that can operate undetected and cause a great injustice as well as lose of lives?
13. Because Petitioners voice has never been heard since being granted Pro se. status thus defeating said Petitioners sole purpose of identifying the TYRANTS.
14. To allow Petitioner the chance to go under oath and in a court of this country to address all the above said.

RELIEF SOUGHT

- 1) To have Tommy Barnes constitutional rights adheared to under his Pro.se. status and have his voice herd by the courts of this land as that constitutional right was violated in The United States "istrict Courts under Judge Alfred H. Bennett. Mr. Barnes asks this court to review all entries made by him in said court US"IC. petitioning for a hearing to come on record in the presence of a Judge. A hearing that would dismantle the tyrannous structure below this Court.
- 2) To have a new investigation into the MUR"ER of Ashtian Barnes; not to exclude Ken Paxton(Texas Attorney General), Andy Louderbach (Jackson County Sheriff), Clinton Woolridge(Chief Of Police Edna, Texas), T. Michael Oconnor(US Marshall), Pattie Mildred Edwards("istrict Court Case Manager, Praire View A and M Alumni, former resident of Jackson County, Judge Alfred H. Bennett(Judge in "istrict Court), Henry Tolbert Jr.(Former resident of Jackson County and Tyrant, Con Man), Irvin "ean(former resident of Jackson County and Con Man), Ida Barnes(former employee of Jackson County Sheriffs "epartment and ashtians grandmother), Rita Felder(Ashtians grandmother), "arryl St. Julien(Gang board member and Con Man), Eyvonne Tolbert(resident of Jackson County and dating Tommy Barnes at time of Ashtians murder ????? Henry Tolberts sister)Jaz Prince and James Prince( Rap-Alot record owner and son who set ashtian up to be on the Beltway for Felix to Murder him), Board members of a gang), James Franklin( liasion with elected officials, Praire View A and M Alumni,as well as masonic fraternal affiliation 33 degree), "ave Green ( Internal Revenue Service, relative of Tommy Barnes and provider of motive for long planned out scheme), Adam Fomby and Fomby Law Firm ( produced for scheme) Janice Hughes( Ashtians mother and participant in scheme), The County Of Jackson, Texas( fifth wheel to the scheme creating dece ption). The findings from this investigation would would ill ustrate deadly conduct finding aborted in "istrict court before excessive force was allowed to proceed. Explanation to Roberto Felix actions during the traffic stop and his lack of assistance as he watched ashtian die. His intentions before summoning ashtian to pull over.
- 3) To review all entries in district by Mr. Barnes. Note new case manager name Lisa Edwards in relation to Pattie Mildred Edwards. Review all entries in 5th Circuit as well.
- 4)To investigate the coalition of all the above to detour future offenses and lose of innocent lives.
- 5) To investigate integrity of Texas Civil Rights Project hired by adam Fomby. Same Method told to Tommy in 1991 by "arryl St.Julien.
- 6) To allow this case to be reestablished after Mr. Barnes voice is herdby the courts in the presence of a Judge. Reason Bennett scheduled phone hearing that was cancelled due to lack of court reporter as informed to Mr. Barnes by law libary officer.Excessive force to proceed prior to investigation.
- 7) Recusal of Judge Alfred H. Bennett
- 8)Allow this brief to be used as WRIT OF MAN"AMUS!

for Mr. Tommy Barnes being that he was arrested and held in Harris County Jail for 3 Months after Ashtians death and prior to the Evading arrest charge in The County of Jackson, Texas. Adam Fomby did nothing when informed neither did Liyah Brown, from Texas Civil Rights Project which I was told about in 1991! She immediately withdrew from my case.

c)

9) To have Mr. Barnes released from custody pending Civil Investigation from agency outside Texas Jurisdiction.

10) Allow actions to be commenced against James and Jaz Prince/ Rap-Alot Records, The County of Jackson, Texas, Andy Louderbach and The County of Harris, Texas again for wrongful imprisonment and mental anguish; as well as Google for their location lack of security in their technology.

#### SUMMARY

The dash camera video shows a murder. An act of terrorism by a public official who TOTALLY! disregarded the integrity imbedded in the phrase, " PROTECT AND SERVE!" Ashtian was staggard for the incident as well as myself whom decide to go pro Se. after his mothers confession and his ability to recant the past. A past startting back in 1991. Again! 1991. Mr. Tommy Barnes recieived a letter while in prison from Pattie Mildred Edwards informing him she was moving to Houston from Edna Texas to start work at a new job; "District Clerks case manager". At that time Mr. Barnes was also friended by "arryl St. Julien who slept a couple cubicles over from him whom informed me that there was so much you could do with information from that position Pattie Mildred had. The stage was being set according to the forecast of The County of Harris, Texas due to the already start of The BeltWay8 The exact same roadway Ashtian was Murdered on. Keep in mind "ave Green ( Mr. Barnes relative) is an employee at The Internal Revenue Service during this time and current day. There are so many incidents up until ashtains myrder that shows organized crime and conspiracy to comitt the murder that happened in 2016. Everyone was placed and a coalition with a plan to manipulate the entire narrative with all the organizations involved insured by the people whom the tyrants made a part of their organization from 1991 til present. Was Mr. Barnes next? He was intimidated by gangs. arrested for three months with no help from his lawyer nor family /wife at that time. Mr. Barnes was being set up and figured out the play in Victoria, Texas by "eborah Hightower and avoided that scheme by walking out the room naked to attract attention and disrupt the process. Mr. Barnes was then followed to Tulsa Oklahoma after he left Texas. There he was ran off a cliff after borrowin 10,000.00 against lawsuit. Mr. Barnes was leaving the jurisdiction the Tyranny had been established in. Mr. barnes family playing two sides. Texas Civil Rights Project needs to be investigated. Ken Paxton as well. Just review any footage of Ken Paxtons impeachment rally and you will see Andy Louderbach, Clinton Woolridge, and T. Michael Oconnor. Mr. Barnes mother sais, " Louderbach will be senator and Steve green will be Mayor of san Antonio as a result of this" I'll fight to reveal the truth of my loss.

## **CONCLUSION**

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Tommy Barnes #02366706
