GROUND'S PRESENTED

Statement of Grounds, Accordance to Rule 39.7

Thereafter petitioner Ricky Escobedo was granted Writ of Certiorari with the Supplemental appendices under seal. On May 28, 2024 whereas according to Rule 39.7 should have been appointed counsel due to the fact that his records of Discovery and Trial Transcripts in the lower district court are and remain under seal. Although petitioner has attempted to file motions to lift or unseal, but to no avail. Even as petitioner files his 28 U.S.C. § 2255 motion in the district court, the presiding judge, Xavier Rodriguez, steady refuses access to the records that would justify relief to the petitioner. So, therefore, petitioner request for the highest court to analyze the records by appointing counsel in order to review the records that pertain to both the criminal and civil matter.

Respectfully Submitted,
