We have some saving money in the 401K accounts. Please refer to the copy from the Fidelity. We have been received with a fit income from the Social Security, we don't have any other source income beside the 401K balance. We have been tried to save the fund for our family members for the future emergency such as: The funeral and paying for the treatments for our family members

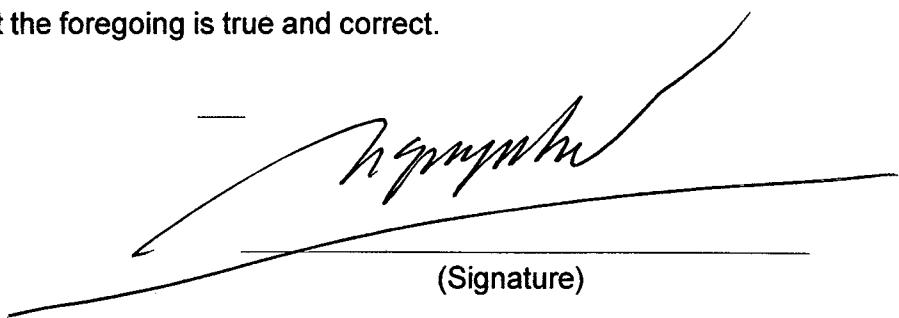

It's a very hard for us to make the budgets for the rest of our family in the coming future. We had been contacted the lawyer offices. They had asked for the money pay upfront and we have to pay for their fees by hours at the very high rates. We would but we couldn't.

We are pleading for any help by the Judges as possible. We need the lawyer to represent for the case. It's a very difficult for me to do the paperwork with the best of my knowledge

I am really appreciated for the favorable consideration from the Judges

I declare under penalty of perjury that the foregoing is true and correct.
