OFFICE OF THE CLERK  
SUPREME COURT, U.S.

Dear, The Honorable Judges

My name is Andrew H. Nguyen. I am pleading to the Judges at the Supreme Court do for me a favorable considerations for the Motion for Re-consideration and for Re-hearing for my Petition for a Writ of Certiorari. I have been feeling so sad to receive the denied letter on Saturday October 12<sup>th</sup>, 2024 without the denied reason from the Supreme Court

I did not mean to file the lawsuit against the AT&T company which I had been employed. I had told Puckett (first line manager) and my co-workers that I have no enemy in my life. I had been so patient and accepted with the mistreated and suffered with a very bad stresses by the first and a second managers (Puckett and Fulton) for a number of years

I had tried to be patient and lived with its. Because of I was the only one Vietnamese employee under Mr. Puckett's crew and by Mr. Fulton. They both had tried to harass and mistreated to me with the different ways and left the other Non-Asian employees alone

Would you please refer to the copy of the worked schedule when I was the only Asian employee (a Vietnamese) at the AT&T under Puckett's crew since I had returned to work after the work related injury 12/12/16 to my last day from work on 11/19/18

The management teams at the AT&T had been tried to cover up the real problems at their working garage, the lead of EEO, the Hotline investigator, the Access Protector investigator and the defendant lawyer had tried to pay disrespect to the Laws. They were not supposed to submit the untrue statements to the EEOC Department and to the previous Courts. They had been damaged my personality and hurting my health for a number of years

I am pleading to the Judges at the Supreme Court be granting this serious case to the light for a fair Judgements as below:

**REASONS TO REQUEST FOR A FAVOR FOR RE-HEARING:**

**II.** On February 27, 2023. The Dallas District judge had stated that the Plaintiff's claims against Defendant Southwestern Bell Telephone company, improperly named as AT&T. I had never filed a lawsuit against the Southwestern Bell Telephone. Because of they were the excellent management teams

Enclosed with this Motion. Would you please find the copies of the evidence as well as: My employee ID, the at&t uniforms, the Motor Vehicle defensive Driving Certificate and the logo of the at&t (AT&T) on the assigned company vehicles to prove for the judgement from the judge at the Dallas District Court on February 27, 2023 was not a fair decision

**III.** On November 30, 2023 and January 03, 2024. The Judges at the court of Appeals had made a summary judgement denying my claim of race discrimination and retaliation under Title VII. The district judge concluded that I had failed to create a genuine issue of material fact to show that I was treated differently because of race

## **REASON FOR RECONSIDERATION AND REHEARING THE PETITION:**

I am pleading to the Judges that the untrue statements had submitted to the previous Courts will need to be clarified by the Honorable Judges at the Supreme Court
