False imprisonment and slavery

## STATEMENT OF THE CASE

REASONS FOR GRANTING THE PETITION

It is kindly requested that this court should grant certiorari to prevent a miscarriage of justice. Clearly, it is equal that N.J. courts are in total error and they are practicing law wrong and committing cheap ambush's on all its public members. For instance, all 21 counties of the whole New Jersey are prosecuting cases where the assistance prosecutors are signing each county head prosecutor name on each indictment, which is fraud for start and R.1:4-5 says this is illegal, this applies to at least 1 billion defendants in N.J. Next, the trial judges in each trial in N.J. including the present case, the trial judge changed the defendant charges by eliminating the degree of crime as the grand jury approved in the indictment, which each defendant is illegally held in false imprisonment. I pray this court take this case so this defendant do not have to go to all the media's once he do his little bit of time left, with all the laws to support his claims with all due respect! On the reverse side the petitioner is being wrongfully detain and slaved. The NJ pleading and federal practice forms for verdict sheets mandated on degree of crimes incorporated in the verdict sheets and is concurred with on state level see, state v. Cleveland, 6 N.J. 316 (1951) held that the failure to designate the degree of the crime was not merely a technical violation of a statute or rule of procedure. The verdict is fatally defective and no judgment can be legally pronounced thereon. It is equally clear both are applicable to the petitioner's false imprisonment.

## CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,
