QUESTION(S) PRESENTED

Judge SLG of the U.S. District Court of Alaska was appointed from no where to destroy my case (Please check the beginning of my case in the Superior Court of Alaska when she was hired in Federal Court of Alaska district). My cases were dismissed without contacting defendants nor tried (District Judge SLG follows me wherever I file my case. - She left Anchorage and followed my cases to Fairbanks as well - She has a very questionable background and must be thoroughly investigated).

STATEMENT OF THE CASE

- (1) Without knowing that appellates were involved in defrauding me, I helped the FBI profile them as "Nigerian mafia/AX" from 1979 to 1981. I Physically Caught Chimezie Christopher Achikam Duru aka Duruherie steal my Full and unrestricted licensure to practice both Medicine and Surgery in the United States. I was unaware that he was imprisoned for 3 years in Texas instead of spending 3 years for a PhD Program in Criminal Justice that he told me in ^{Jan} 1979 that he was released. With his lies, I allowed him in my home for seven months to look for a job. Initially it was 6 months and when he couldn't find ~~a~~ home I extended time by one more month without knowing that he was claiming my essential mails and negotiating my financial instruments. I was responsible for 100% of his expenses during the 7 months.
- (2) All the appellees coerced against me from Feb 1976 to present and continuous. They find ways to collect my financial instruments and cash them out leaving me without a cent. I Physically Caught Victoria Ikpa right after she had claimed a computer that was sent to me. The Post office had notified me to claim it but ~~when~~ I got there it had just been claimed. I went outside to see and I caught Victoria loading it in her vehicle and ran. I reported to the Post office manager but never received the computer.
- (3) These Nigerians burglarized my home on several occasions for financial instruments when I refuse that they live with me.

REASONS FOR GRANTING THE PETITION

- (1) I need my credentials and licenses that were offset by mails and by home invasion burglaries by appellees
- (2) I need access to my accounts especially "Salesforce accounts" and Axos bank/Internet banks.
- (3) ^{True} Justice must prevail over crimes for I want offenders punished. They coerced and bought ^{U.S.} District Court Judge Sharon L. Gleason who has been following me and my cases around. She influenced both Appellate Court and the Supreme Court.
- (4) Godwin Chukweneze Duru, Chimezie's half brother confessed to me and told me that he warned him to return all stolen items and licenses. His address is 7986 Windson Ct, Blacklick, Ohio 43004 and his wife Anthonie Duru knows about Chimezie. Chimezie's wife Helen Duru will testify against him as well. Phone # (310) 704-2647. His number is (323) 535-1064
- (5) Lower courts dismissed my case at screening because that's what Judge SLG wants.
- (6) In mid 80's Chimezie confessed about an unknown check to me. I approached him about the check/charge and he told me that he deposited it in a bank to yield interest. I am yet to receive a cent of my funds.

CONCLUSION

The petition for a writ of certiorari should be granted.

Respectfully submitted,

Date: June 20, 2024
