Re: Marco Gonzalez v. Salem Shahin, *et al.*

Dear Mr. Harris:

Earlier today, I electronically filed an Application for an Extension of Time to File a Writ of Certiorari in the above-captioned case from the Eighth Circuit and effected service by Next Day mail on opposing counsel. I have now realized that the Application lacked the tables required by Rule 34.2 for documents longer than five pages and filed on 8 ½ by 11 paper.

To correct that oversight, I am re-filing the documents today with the required tables. I am serving copies of it with this letter of explanation on opposing counsel. Because I will be away after this evening, I am having co-counsel check call the Clerk's Office when you re-open Monday to make certain that we do everything we can to proceed in accordance with any guidance your office can supply. By this letter, I ask that this version of the application, containing the tables be deemed the application so that we are fully compliant with the Court's rules.

Sincerely,

Robert S. Peck
Counsel of Record
