Re: *Visa Inc., et al. v. National ATM Council, Inc., et al.*, No. 23-814

Dear Mr. Harris:

On behalf of all Respondents in the above-captioned case, I am writing to request a 14-day extension of time to file a response to the petition for certiorari. The response is currently due February 28, 2024 and, with a 14-day extension, it would be due March 13, 2024.

This requested extension of time would enable Respondents to fulfill pre-existing professional obligations while allowing for adequate time to prepare a response that would be most helpful to the Court. Respondents also have received notice that the DRI Center for Law and Public Policy intends to file an *amicus curiae* brief in support of the petition, and the extension will permit Respondents to address this anticipated submission.

The Chief Justice previously granted Petitioners' application to extend the deadline to file the petition for certiorari from December 26, 2023 to January 25, 2024; Respondents have not previously sought any extensions of time in this matter.

Thank you for your consideration of this request.

Respectfully submitted,

/s/ Steve W. Berman
