**Re:** Request for Extension of Time to File Response to Petition for Writ of  
Certiorari with Petitioners' Consent  
City of Sparks, Nevada, et al. v. Rosa Ester Brizuela, Individually and as  
Special Administrator of the Estate of Rolando Antonio Brizuela, et al.,  
No. 23-846

Dear Mr. Harris:

As counsel for Respondents in the above-referenced case, I write to seek a second extension on the response to the petition.

Petitioners filed their Petition for a Writ of Certiorari on February 2, 2024. The Court called for a response on February 15, with the response to be due on March 18, 2024. Pursuant to Rule 30.4, Respondents obtained an extension of the response deadline by 30 days, up to and including April 17, 2024. Respondents now seek a second extension of 30 days, up to and including May 17, 2024.

Petitioners' counsel Mariah Northington has consented to this extension, via an email exchange on April 10, 2024. Good cause exists for the requested extension. My co-counsel and I have multiple other matters that have required and will continue to require substantial expenditures of time. An extension of time will enable the preparation of an adequate response that would be most helpful to the Court.

Accordingly, Respondents respectfully request that the response deadline be extended 30 days, up to and including May 17, 2024.

Sincerely,

Peter Goldstein
