Rule 29.2 Statement

On Friday February 23, 2024, at approximately 1145am, a Wilson-Epes employee hand delivered 40 copies of the ***Brandon Michael Council v. USA*** cert petition for filing with the Clerk's office. Rather than providing us one stamp for each filing going to the Clerk's office, the US Capital Police officer receiving the briefs insisted all briefs be placed in the bag with only one (1) sticker on the bag. Wilson-Epes immediately notified the clerk's office of the six impacted filings that did not receive individual date stamped stickers.

Please let me know if you have any questions.
