RE: /Kelly v Swartz, et al. **No. 22-3198**

January 3, 2023

Dear Honorable Clerk of Court:

I am panicking because I see more of parts of my pleadings look like bar codes or are illegible as to deny me an opportunity to be heard in the Delaware District Court. See attached exhibit showing parts of my pleadings on the record below are not legible.

If this Court may not able to read my pleadings. Since I am able to plead on the Record per 3DI-24. Then, the US Supreme Court may not be able to read my pleadings should I appeal on the record there too.

Attached, please find my law suit against the democrats where I indicate I have religious beliefs against organized charity, volunteering, collection of signatures, and fundraising. I believe people sin by exploiting need to serve greed under the guise of government service, unconditional love and charity. I believe Jesus Christ teaches people will have no reward. They will lose eternal life for

participating in those activities. They deceive other people God loves into believing giving out of one hand to get out of another is love or charity. Giving to get is business, even by tax breaks, to make connections or receiving recognition. *Citing Matthew 6:1-4.* Business is not the sin. Teaching business is charity or job creation is good is sin which drives out unconditional love from the hearts of man replaced with the love of money and material things misleading people to be thrown into the fires of hell the last day. See, *Romans 4:4.* I believe congress and President Biden sin by teaching forced government colluded **job creation** with private and foreign partners is good. Such lies make us less free in a fixed subpar economy unrestrained by just laws that prevent charities, churches and businesses from sacrificing individuals and individual liberty for material gain. Such societal pressured compelled belief contributes to making businesses and entities above the law, allowing the killing, stealing and destroying of individuals and elimination of individual liberty under the lie of the common good. It is not freedom but control by the lawless lusts of those in power in private controlling and governing unrestrained by laws making governments puppet states. Businesses, charities, entities and alternative entities who collude by partnering with Congress and the President are rendered above the law. The laws serve and do not restrain their lusts if left unrestrained by Constitutional limits the Courts should require. E.g., US

Amend XIII. Jesus teaches you cannot serve God and money. I choose to lay down my life to serve God not money as God and guide.

I also attach my plea to the US Supreme Court to run for the office of President without violating my religious belief.

I merely am placing these items for information purposes to allow me to refer to them on appeal to the US Supreme Courts should an appeal be required. I referred to them in my motion. They are already on the record. I do not know how the US Supreme Court will see them if they are only on the record in the District Court. I am concerned.

Thank you for allowing me to provide this concern without requested relief on the record.

Respectfully Submitted,

January 3, 2023

Committee, and Delaware Attorney General Kathleen Jennings, in her capacity as the Attorney General for the State of Delaware (individually and collectively, “defendants”), from continuing proceedings to place my license to practice law on inactive disabled. I also respectfully requested bond shall be excused in my motion for a temporary restraining order and exemption from bond.

I sued President Trump in the Delaware Chancery Court to eliminate the establishment of government religion, and sought to substitute President Biden for President Trump to eliminate executive orders, E.O. 13798, and President Biden’s enforcement of Ex. Or. No. 13198, Jan. 29, 2001, as amended by Ex. Or. 14015, Feb. 14, 2021; Ex. Or. No. 13199, Jan. 29, 2001, as revoked by Ex. Or. No. 13831, May 3, 2018; Ex. Or. No. 13279, December 12, 2002, as amended by Exec. Or. No. 13559, November 17, 2010; Ex. Or. No. 13559, Nov. 17, 2010; Ex. Or. No. 13831, May 3, 2018, and Biden’s enactment of Ex. Or. No. 14015, Feb. 14, 2021 (“executive orders”), that establish government religion by the paid, not free union of government-religion based partnerships.

I believe the increased violence against religious people and organizations, and government sponsored private and government attacks against me stems in government money, business greed, through the executive orders, supplemented with unholy organized religious charitable donations and fundraising that break Jesus’s commands, not love for any God, under the guise, the confusion business greed is somehow worship of God.

“The First Amendment of the Constitution states that Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.” *Samad v. Horn*, 913 F. Supp. 373, 374, 1995 U.S. Dist. LEXIS 20557, *1

You are the only one in the world, other than the Supreme Court who knew of my waiver. I am disappointed. I sought relief from the Delaware Supreme Court to make both the ODC and DE-Lapp desist. Please refrain from participating further. It is in the Supreme Court's hands now, whether my order will be granted or denied.

Thank you,

Meg

Hi Meg. I don't know what you are referring to. I didn't submit your name to any ODC/DE-LAP matter at all. My correspondences with you have always been cordial. I saw the letter you sent as a copy in your last email and that was the first time I saw DE-LAP had contacted you. Carol and I have a good working relationship and I respect all she does to help out attorneys, but she keeps her matters confidential from me. If it is something else I did, please let me know as I take seriously any accusation that I threw someone under the bus. I know how hard you work and how passionate you are about your issues.

That being said, if DE-LAP reaches out, then someone did suggest you needed help and I encourage everyone to go that route rather than having ODC get your case. Carol is confidential and has helped a lot of attorneys...not just those who need help but those who have been referred...

"Thank you for the February 2, 2021 letter in which the Court indicated it would consider requests for waivers of attorney fees on a case by case basis, by formal request.

My concern, is accepting applications for waivers on a case by case basis violates the Equal Protections Clause applicable to the State's agencies, even the courts via the 14th Amendment, by disparate treatment within a class. I am likely not the only one out of work due to the pandemic. Others are struggling too. A case by case determination would likely be per se unconstitutional.

I will likely never have standing to stand up for those similarly situated with myself. Yet, if I made such a request, I would be asking the Court to treat me with preference instead of impartiality as required by law.

My conscience may not allow me to make such a request, tempting this Honorable Court to misbehave to serve my own gain.

I can, however, request that all fees for attorney registrations be the same regardless of years barred. So, I am making such a request for future consideration for 2022 and beyond. Please treat all lawyers the same by

Dear Honorable Master Patricia W. Griffin:

I believe I may have received disparate treatment based on my wealth, political affiliation and or religious orientation, and will continue to receive such treatment without your assistance.

The staff in your court appear to be subverting my case, by serving as advocates for President Trump.
