SUPREME COURT OF THE UNITED STATES

ARNOLD ANTHONY CARY-PETITIONER

VS.

DEAN WILLIAMS, et al.-RESPONDENT(S)

MOTION FOR EXTENSION OF TIME

Arnold Anthony Cary, Petitioner, without counsel respectfully request from this Honorable Court, pursuant to the United States Supreme Court, Rule 14(e)(ii) submits this Motion For Extension of Time. In support thereof, petitioner states the following:

This action originated, and was filed in the District Court, Logan County, Colorado Case #2021-cv-26 and moved by the Colorado Attorney General for constitutional issues to the United States District Court For The District of Colorado Case #1:22-cv-01500-LTB-GPG, then dismiss as legally frivolous. Petitioner filed an appeal in United States Court of Appeals For The Tenth Circuit Case #22-1404. During these moves the Defendant Dean Williams retired, and his successor Moses (Andre) Stancil became the new Executive Director of the Colorado Department of Corrections (CDOC), and the automatic substituted defendant. This action is of national importance and a safety issue for inmates within CDOC, and petitioner states the following:

1. Petitioner is a prisoner at Sterling Correctional Facility (SCF) a Colorado State Prison in Sterling, Colorado;
2. SCF is short of staff to include their law librarian, but was just hired, and is in training at this time. This person is not qualified to handle the work load, and has to get permission by telephone or e-mail from CDOC headquarters in Colorado Springs before accepting inmates requests, or even allowing copies of legal documents, which are censored by CDOC headquarters before allowing process;
3. Adding to the confusion, petitioner is not allowed timely access to the facility law library. Currently, SCF is on restricted movement (modified lock-down) for incoming closed custody inmates, which has thrown SCF into tremendous turmoil with hundreds of relocations of inmates moving in and out of SCF in order to develop a new closed custody unit;
4. Petitioner acknowledges that this Court's time limit of 90 days from the Order and Judgment by the Court of Appeals is May 10, 2023. Leaving the due date of August 10, 2023 for a Petition for a Writ of Certiorari;
5. This request for Extension of Time is not for the purpose of delay, but to create a single deadline by which petitioner receives proper documents, copies and service, which SCF law library cannot provided, petitioner is relaying on friends and family on the street for help;
6. The petitioner request an Extension of Time (60 days) including to October 8, 2023 to submit Petition for Writ of Certiorari.

Done this 31st day of July, Two Thousand and Twenty Three.

Respectfully submitted,

Arnold Anthony Cary
