Subject: (add'l info required before we can finalize estimate) Carlos Antonio Raymond v. JPMorgan Chase Bank (44327 Raymond)

Carlos,

Good morning, and thank you for speaking with me yesterday.

I have reviewed the PDF of the petition and the PDF of the appendix documents that you emailed.

Before we can finalize your estimate for your review, the following items need responded to:

If you filed a petition for rehearing in the Circuit Court, please email to us the court's order denying this rehearing (as this order should be included in the appendix, should it exist);

Any orders issued by the Circuit Court and/or District Court upon a rehearing **that was granted** (should they exist, as this should be included in the appendix);

Any additional Reports and Recommendations that were issued by the District Court (should they exist, as this should be included in the appendix);

Email to us the Petition that you already filed with the Court as a Word document;

Based upon the PDF of the petition, your Petition's word count is estimated to be close to 22,000 words (which far exceeds the 9,000 word-limit for a paid/booklet filing). As such, please contact the clerk's office at the Supreme Court in order to receive their approval to resubmit this petition in booklet format in excess of the 9,000 word-limit;

Once the above items are responded to, we will be able to finalize your estimate. Additionally, please email to us the Court's letter that denied your IFP petition as soon as possible.

Should you have any questions, please let me know. Thank you!

Sincerely,

Darian Girard
