Case 58, 2022

Per the September 7, 2022 order in the first docket attached hereto, relating to Delaware Supreme Court matter IMO Meghan Kelly a member of the bar, the court ordered the case unsealed.

At the end of September, the Court contacted File & ServeXpress, where it was discovered that a configuration at the Case Class level was hindering the security setting in the case. Upon, File & ServeXpress's suggestion, the court updated the case type on September 29, 2022 which made most of the documents in the is case public on September 30, 2022.

Additionally, the court notified File & ServeXpress on October 5, 2022 that some case documents were not viewable at the Public Access Terminals and in CourtLink. It was discovered that some documents did not take to the case type update. The solution required intervention from our DEV OPS team who were able to resolve the issue. We delivered a resolution on October 6, 2022 that made all case document public.

I hope that helps.

Thank you.

Jason

Hi Jason,

Thank you so much. The court misbehaved by sealing and leaving documents unsealed to protect the court.

Are you able to provide dates documents were unsealed and sealed in both matters?

I have contacted the court. The court provided inaccurate information on the unsealing and sealing of documents in the two matter.

Thank you for the email indicating it is not file serve's fault or under your control.

Thank you,  
Meg

Good afternoon Ms. Kelly,

Our Support team forwarded your email to me. I can confirm that our platform is integrated with the Delaware Courts. Our system automatically updates when the court takes action on or changes the status of a case/filing/documents. File & ServeXpress does not assume the authority to seal and unseal documents.

I encourage you to contact the court should you have any questions about the security status of a case and/or a document(s).

Thank you.

Sincerely,  
Jason
