Petitioner Application for Extension of Time

1. I am the pro se petitioner in the above-captioned action.
2. I am a senior citizen over seventy years old with health issues.
3. I respectfully request an extension of my time to file my petition for a writ of certiorari from 1/26/2024 to 3/27/2024, a 60-day extension.
4. Given my current situation and the lack of opening of the federal court law library in the local and the City of New York, it is necessary for me, the pro se petitioner, to respectfully submit this application.
5. This is the first time for me to request an extension of the time for my petition.
6. The respondent, the City of New York, concedes my request.
7. I thank the Court for its consideration of this matter.
