

Docket No. _____

CLERK OF THE COURT FOR THE
UNITED STATES SUPREME COURT
NOTICE FOR EXTENSION OF TIME
TO FILE A WRIT OF CERTIORARI

Webster

v

Haskins et al

Clerk of the court;

Following Rule 30 of the rules for the U.S. Supreme Court, I respectfully ask that an extension of time be allowed to file a petition for certiorari for the following reasons;

1. I have petitioned the Ninth Circuit Court of appeals for appointment of counsel to better present the questions for review, as I am an incarcerated, indigent, pro se litigant and I am waiting for their decision,
2. I have recently been transferred to a different institution and do not have access to any of the previous submissions needed for reference and I have been attempting to contact the clerk of the Ninth Circuit in an effort to obtain copy's of those documents.

Previous facility was Canyon Manor, in Novato California, and I am currently housed at Napa State hospital in Napa California.
