**PETITIONER'S APPLICATION TO EXTEND TIME TO FILE PETITION
FOR WRIT OF CERTIORARI**

The Petitioner files this application asking the Court for extension of time to file his Petition for Writ of Certiorari. The following are the facts relevant to this petition:

1. Petitioner Stancu ("Stancu") is a pro se, forma pauperis litigant.
2. Stancu filed his appeal with the U.S. Court of Appeals for the Fifth Circuit ("5-th Circuit") on April 24, 2023.
3. The established method of communication between Stancu and the 5-th Circuit was via U.S. Mail.
4. On December 19, 2023, Stancu received a letter from the 5-th Circuit, informing him that his appeal was dismissed as of October 26, 2023, for "...want of prosecution." A true and correct copy of the above mentioned dismissal is attached hereto as **Exhibit A**.
5. Also a true and correct copy of the mailing envelope showing that the notice of dismissal was mailed to Stancu by the 5-th Circuit on December 14, 2023, is attached hereto as **Exhibit B**. This hard fact shows that Stancu was notified by the 5-th Circuit that his case was dismissed, 54 days after the case was dismissed.

PRAYER

In view of the above presented facts, Stancu asks the court for the following extention of time :

- (a). The 90 days time period provided by the Rule 13 of the Rules of the Supreme Court of the United States, should start counting from the day Stancu received the notification from the 5-th Circuit that his case was dismissed. Specifically, 90 days from December 19, 2023, which is March 19, 2024.
- (b). In addition, Stancu asks the court for 60 days extention of time from March 19, 2024, to file his Petition for Writ of Certiorari, because Stancu is proceeding pro se, and this is an enormous case - four cases consolidated into one, containing over 1,700 pages of record excerpts, and involving multiple Constitutional and Civil Rights issues.

In summary, Stancu is respectfully asking this Court to set the deadline for filing his Petition for Writ of Certiorari for May 19, 2024.

Respectfully submitted,

John Stancu
